SUPPLEMENTARY INFORMATION:

Title: The Interagency Access Pass Application Process.

Bureau Form Number: None.

OMB Number: 1024–0252.

Expiration Date: 10/31/2007.

Type of request: Extension of a currently approved collection.

Description of Need: The currently approved information collection responds to The Federal Lands Recreation Enhancement Act (FLREA) which requires the Secretary of Agriculture, and the Secretary of the Interior, to make the America the Beautiful—The National Parks and Federal Recreational Lands Pass available, for free, to any United States citizen or person domiciled in the United States who has been medically determined to be permanently disabled for purposes of Section 7(20)(B)(i) of the Rehabilitation Act of 1973 (29 U.S.C. 705(20)(B)(i)). The Act further requires that the applicant provide adequate proof of the disability of such citizenship or residency. The Act specifies that the Pass shall be valid for the lifetime of the pass holder. The America the Beautiful—The National Parks and Federal Recreational Lands Access Pass (Interagency Access Pass) was created to meet the requirements of the FLREA. An Interagency Access Pass is a free, lifetime permit that is issued without charge by the Bureau of Land Management, Bureau of Reclamation, United States Fish and Wildlife Service, United States Forest Service, and the

National Park Service to citizens or persons who are domiciled (permanent residents) in the United States, regardless of age, and who have a medical determination and documentation of permanent disability. Furthermore, the Pass is to be non-transferable and entitles the permittee and any person accompanying him in a single, private, non-commercial vehicle, or alternatively, the permittee and 3 adults to enter with him where entry to the area is by any means other than private, non-commercial vehicle. The Pass must be signed by the holder.

In order to issue the Interagency Access Pass only to persons who have been medically determined to be permanently disabled, in accordance with the FLREA direction and in order to clarify, simplify, and to provide uniform guidance for the public on the process for obtaining the Interagency Access Pass, the Secretaries of Agriculture and Interior established eligibility and required documentation guidelines for issuing the Interagency Access Pass and published them within the America the Beautiful—The National Parks and Federal Recreational Lands Pass Standard Operating Procedures. The procedures require the individual to appear in person and sign the Pass in the presence of the issuing agency officer. Acceptable documentation to verify that the individual had been medically determined to have a permanent disability has been identified and includes:

A statement by a licensed physician attesting that the applicant has a permanent physical, mental, or sensory impairment that substantially limits one or more major life activities, and stating the nature of the impairment;
OR

A document issued by a Federal agency, such as the Veteran's Administration, which attests that the applicant has been medically determined to be eligible to receive Federal benefits as a result of blindness or permanent disability. Other acceptable Federal agency documents include proof of receipt of Social Security Disability Income (SSDI) or Supplemental Security Income (SSI);
OR

A document issued by a State agency such as the vocational rehabilitation agency, which attests that the applicant has been medically determined to be eligible to receive vocational rehabilitation agency benefits or services as a result of medically determined blindness or permanent disability.
