**Preventing Undue Discrimination and Preference in Transmission Service; Supplemental Notice of Technical Conferences**

May 25, 2007.

On April 6, 2007, as supplemented on  
May 4, 2007, the Commission issued  
notices scheduling staff technical  
conferences in the above-captioned  
proceeding. As stated in the April 6  
notice, these technical conferences will  
review and discuss the "strawman"  
proposals regarding processes for  
transmission planning required by the  
Final Rule issued in this proceeding on  
February 16, 2007.<sup>1</sup> The Commission

<sup>1</sup> *Preventing Undue Discrimination and Preference in Transmission Service*, Order No. 890,

hereby provides the following  
additional information and instruction  
regarding these conferences.

The attached agenda details the dates  
and times of the technical conferences  
and identifies the companies presenting  
their strawman proposals, and the  
customer and industry groups to be  
represented in the stakeholder panels.  
To the extent a transmission provider is  
not listed or otherwise represented by a  
planning group as detailed on the  
attached agendas, it should contact the  
staff members listed below as soon as  
possible. In addition, each transmission  
provider should e-mail Commission  
staff with an electronic link to its  
strawman proposal at  
[890Planning.Strawman@ferc.gov](mailto:890Planning.Strawman@ferc.gov)  
as soon as such proposal is posted on the  
transmission provider's Web site. The  
Commission will provide access to links  
to all strawman proposals in the OATT  
Reform section of the Commission's  
Web site at [http://www.ferc.gov/  
industries/electric/indus-act/oatt-  
reform/strawman-info.asp](http://www.ferc.gov/industries/electric/indus-act/oatt-reform/strawman-info.asp).

Representatives of the customer  
groups identified on the attached  
agenda and other interested persons  
should please contact the staff identified  
below if interested in participating as a  
panelist.<sup>2</sup> In the event a transmission  
provider or interested party is uncertain  
as to which technical conference is  
relevant, such persons should contact  
staff in advance to discuss the matter.
