

Scope of the Order

For the purposes of this order, the term "stainless steel bar" includes articles of stainless steel in straight lengths that have been either hot-rolled, forged, turned, cold-drawn, cold-rolled or otherwise cold-finished, or ground, having a uniform solid cross section along their whole length in the shape of circles, segments of circles, ovals, rectangles (including squares), triangles, hexagons, octagons, or other convex polygons. Stainless steel bar includes cold-finished stainless steel bars that are turned or ground in straight lengths, whether produced from hot-rolled bar or from straightened and cut rod or wire, and reinforcing bars that have indentations, ribs, grooves, or other deformations produced during the rolling process.

Except as specified above, the term does not include stainless steel semi-finished products, cut length flat-rolled products (*i.e.*, cut length rolled products which if less than 4.75 mm in thickness have a width measuring at least 10 times the thickness, or if 4.75 mm or more in thickness having a width which exceeds 150 mm and measures at least twice the thickness), products that have been cut from stainless steel sheet, strip or plate, wire (*i.e.*, cold-formed products in coils, of any uniform solid cross section along their whole length, which do not conform to the definition of flat-rolled products), and angles, shapes and sections.

The stainless steel bar subject to this review is currently classifiable under subheadings 7222.11.00.05, 7222.11.00.50, 7222.19.00.05, 7222.19.00.50, 7222.20.00.05, 7222.20.00.45, 7222.20.00.75, and 7222.30.00.00 of the *Harmonized Tariff Schedule of the United States* ("HTSUS"). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

Analysis of Comments Received

All issues raised in substantive responses by parties in this sunset review are addressed in the "Issues and Decision Memo for the Expedited Sunset Review of the Countervailing Duty Order on Stainless Steel Bar from Italy; Final Results," ("Decision Memo"), from Stephen J. Claeys, Deputy Assistant Secretary for Import Administration, to David M. Spooner, Assistant Secretary for Import Administration, dated June 1, 2007, which is hereby adopted by this notice. The issues discussed in the Decision Memo include the likelihood of

continuation or recurrence of a countervailable subsidy, the net countervailable subsidy rate likely to prevail if the order were revoked, and the nature of the subsidies.

Parties can find a complete discussion of all issues raised in this sunset review and the corresponding recommendation in this public memorandum which is on file in B-099, the Central Records Unit, of the main Commerce building. In addition, a complete version of the Decision Memo can be accessed directly on the Department's Web page at <http://ia.ita.doc.gov/frn/index.html>. The paper copy and electronic version of the Decision Memo are identical in content.

Final Results of Review

The Department determines that revocation of the countervailing duty order on SSB from Italy is likely to lead to continuation or recurrence of countervailable subsidies at the following countervailing duty rates:

Manufacturer/exporter	Net subsidy rate (percent)
Cogne Acciai Speciali S.r.l.	1.57
All Others	12.93

National Oceanic and Atmospheric Administration

Omnibus Notice for Compliance of National Marine Fisheries Service Permits With the Debt Collection Improvement Act of 1996

AGENCY: National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995.

Statutory Authorities:

Paperwork Reduction Act of 1995, 5 CFR Chapter III, Part 1320.

Debt Collection Improvement Act of 1996, 31 U.S.C. 7701.

SUPPLEMENTARY INFORMATION: All NOAA National Marine Fisheries Service (NMFS) permit forms not currently requiring Tax Identifying Numbers (Employer ID Number and/or Social Security Number; and Date of Incorporation and/or Date of Birth) will be revised to require this information, following the procedures of the Paperwork Reduction Act. This notice applies to all NMFS permits information collections for which rulemaking is not needed in conjunction with such revisions. Proposed rules will be issued for all collections whose regulations require amendment for such revisions. The primary purpose for requiring this information is to comply with the Debt Collection Improvement Act of 1996, 31 U.S.C. Section 7701.

This notice applies to the following NOAA NMFS permit collections—

OMB Control Numbers:

1. 0648-0272, Alaska Individual Fishing Quotas (IFQs) for Pacific Halibut, Sablefish, and Crab;

2. 0648-0334, Alaska License Limitation Program for Groundfish, Crab, and Scallops;

11. 0648-0293, Application for Commercial Fisheries Authorization under Section 118 of the Marine Mammal Protection Act.

All but four of these eleven permit collections currently require some or most of this information.

The primary purpose of these revisions is to bring NMFS into compliance with the Debt Collection Improvement Act (DCIA) of 1996, 31 U.S.C. Section 7701. This action is in line with the Department of Commerce Interim Final Rule 0648-AA24 (April 16, 2007), which revises and replaces Department of Commerce debt collection regulations to conform to the DCIA.

In addition, this action will add to the developing consistency of permit requirements across NMFS regions and divisions, ultimately reducing the public's burden in completing these forms (a significant number of vessels fish in more than one region or division).

This action will add no burden or cost to the public. There should be no research or retrieval required for any of the information. As the information will be added to existing forms, no additional transmission costs will be incurred.

DATES: Written comments must be submitted on or before August 6, 2007.

ADDRESSES: Direct all written comments to Diana Hynek, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be

collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.
