Comments on the Draft RMPs/EISs received from the public were incorporated into the PRMPs/FEISs. Public comments resulted in the addition of clarifying text, but did not significantly change proposed land use decisions.

Instructions for filing a protest with the Director of the BLM regarding the PRMPs/EISs may be found at 43 CFR 1610.5-2. A protest may only raise those issues which were submitted for the record during the planning process. E-mail and faxed protests will not be accepted as valid protests unless the protesting party also provides the original letter by either regular or overnight mail postmarked by the close of the protest period. Under these conditions, BLM will consider the e-mail or faxed protest as an advance copy and it will receive full consideration. If you wish to provide BLM with such advance notification, please direct faxed protests to the attention of the BLM protest coordinator at 202-452-5112, and e-mails to Brenda_Hudgens-Williams@blm.gov.

Please direct the follow-up letter to the appropriate address provided below.

The protest must contain:

a. The name, mailing address, telephone number, and interest of the person filing the protest.

b. A statement of the part or parts of the plan and the issue or issues being protested.

c. A copy of all documents addressing the issue(s) that the protesting party submitted during the planning process or a statement of the date they were discussed for the record.

Such requests will be honored to the extent allowed by law. All submissions from organizations and businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be available for public inspection in their entirety.

The Director will promptly render a decision on the protest. The decision will be in writing and will be sent to the protesting party by certified mail, return receipt requested. The decision of the Director is the final decision of the Department of the Interior.
