OTS

On October 13, 2006, the President signed the FSRRA into law. One of the provisions of the FSRRA contains an amendment to section 3(a)(34) of the Securities Exchange Act of 1934. Section 3(a)(34) of the Act defines "appropriate regulatory agency" and includes OTS as an appropriate regulatory agency for certain activities, thus authorizing OTS to collect certain information. Therefore, OTS is seeking OMB approval for this new collection of information.

OMB Number: 1550-NEW.

Estimated Number of Respondents: 5 registrations, 10 amendments.

Estimated Total Annual Burden: 8 hours.

General Description of Reports

This information collection is mandatory: Sections 17A(c), 17(a)(3), and 23(a) of the Act, as amended (15 U.S.C. 78q-1(c), 78q(a)(3), and 78w(a)) (OCC, Board, FDIC, and OTS). Additionally, the Federal Reserve's

Regulation H (section 208.31(a)) and Regulation Y (section 225.4(d)), as well as § 341.3 of the FDIC's Rules and Regulations implement the provisions of the Act. The registrations are public filings and are not considered confidential.

Abstract

Section 17A(c) of the Act requires all transfer agents for securities registered under section 12 of the Act to register "by filing with the appropriate regulatory agency * * * an application for registration in such form and containing such information and documents * * * as such appropriate regulatory agency may prescribe as necessary or appropriate in furtherance of the purposes of this section." In general, an entity performing transfer agent functions for a security is required to register if the security is registered on a national securities exchange and if the issuer has total assets of \$10 million or more and a class of equity security held of record by 500 or more persons.

Current Actions

Currently, the TA-1 instructions direct respondents who are submitting amended data to complete the entire reporting form. The agencies propose to revise the instructions to state that respondents who are filing amended data would be required to complete questions 1, 2, and 3 (appropriate regulatory agency, filing status, and full name of registrant organization, respectively) and, additionally, only those data items that are inaccurate, incomplete, or misleading. This would make filing an amended TA-1 easier for respondents and better highlight the data that has been changed.

OTS seeks OMB approval to institute use of the TA-1 for savings associations intending to engage in transfer agent activities.

On April 6, 2007, the agencies published a notice in the **Federal Register** (72 FR 17222) requesting public comment for sixty days; the comment period for this notice expired on June 5, 2007. The agencies received no comments.

Request for Comment

The Agencies invite comment on:

(a) Whether the collections of information are necessary for the proper performance of the Agencies' functions, including whether the information has practical utility;

(b) The accuracy of the Agencies' estimates of the burden of the information collections, including the validity of the methodology and assumptions used;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of information collections on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start up costs and costs of operation, maintenance, and purchase of services to provide information.

Comments submitted in response to this notice will be shared among the Agencies. Unless otherwise afforded

confidential treatment pursuant to Federal law, all comments will become a matter of public record.
