At this meeting, the Development Committee agreed to a resolution forming three working groups: (1) Human Factors & Privacy; (2) Security & Transparency; and (3) Core Requirements & Testing to gather information and review preliminary reports on issues pertinent to voluntary voting standard recommendations. At subsequent plenary sessions, additional resolutions were debated and adopted by the TGDC. The resolutions define technical work tasks for NIST that assist the TGDC in developing recommendations for voluntary voting system guidelines. The Development Committee approved initial recommendations for voluntary voting system guidelines at the April 20th & 21st, 2005 meeting. The recommendations were formally delivered to the EAC in May 2005 for their review. In September of 2005, the Development Committee began review of preliminary technical reports for the next iteration of voluntary voting system guidelines.
