

(I)(6)(D)(II)–(III) to make sure that an entity that advises an index provider or calculator and related entities has in place procedures designed to prevent the use and dissemination of material non-public information regarding the index underlying the ETF.

In approving this proposal, the Commission relied on Phlx's representation that its surveillance procedures are adequate to properly monitor the trading of the Trust Shares and IFSs listed pursuant to the proposed new listing standards or traded on a UTP basis. This approval is conditioned on the continuing accuracy of that representation.

Acceleration

The Commission finds good cause for approving the proposed rule change, as amended, prior to the 30th day after the date of publication of the notice of filing thereof in the **Federal Register**. The Commission notes that Phlx's proposal is substantially similar to other proposals that have been approved by the Commission.³⁷ The Commission does not believe that Phlx's proposal raises any novel regulatory issues and, therefore, that good cause exists for approving the filing before the conclusion of a notice-and-comment period. Accelerated approval of the proposal will expedite the listing and trading of additional ETFs by Phlx, subject to consistent and reasonable standards. Therefore, the Commission finds good cause, consistent with Section 19(b)(2) of the Act,³⁸ to approve the proposed rule change, as amended, on an accelerated basis.

V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,³⁹ that the proposed rule change (SR-Phlx-2007-20), as amended, be, and it hereby is, approved on an accelerated basis.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁴⁰

J. Lynn Taylor,

Assistant Secretary.

DEPARTMENT OF STATE

[Public Notice 5868]

Notice of Declaration of Foreign Countries as Reciprocating Countries for the Enforcement of Family Support (Maintenance) Obligations

This notice amends and supplements Department of State Public Notice 4819, 69 FR 59980-81 (October 6, 2004).

Section 459A of the Social Security Act (42 U.S.C. 659A) authorizes the Secretary of State with the concurrence of the Secretary of Health and Human Services to declare foreign countries or their political subdivisions to be reciprocating countries for the purpose of the enforcement of family support

³⁷ See *supra* note 32.

³⁸ 15 U.S.C. 78s(b)(2).

³⁹ *Id.*

obligations if the country has established or has undertaken to establish procedures for the establishment and enforcement of duties of support for residents of the United States. These procedures must be in substantial conformity with the standards set forth in the statute. The statutory standards are: Establishment of child support orders, including the establishment of paternity if necessary to establish the order; enforcement of child support orders, including collection and distribution of payments under such orders; cost-free services (including administrative and legal services), as well as paternity testing; and the designation of an agency as Central Authority to facilitate enforcement.

Once such a declaration is made, support agencies in jurisdictions of the United States participating in the program established by Title IV-D of the Social Security Act (the IV-D program) must provide enforcement services under that program to such reciprocating countries as if the request for service came from a U.S. State.

The declaration authorized by the statute may be made "in the form of an international agreement, in connection with an international agreement or corresponding foreign declaration, or on a unilateral basis." The Secretary of State has authorized either the Legal Adviser or the Assistant Secretary for Consular Affairs to make such a declaration after consultation with the other.

As of this date, the following countries (or Canadian provinces or territories) have been designated foreign reciprocating countries:

Information relating to the designated Central Authorities, and the procedures for processing requests may be obtained by contacting the United States Central Authority for International Child Support, Department of Health and Human Services, Office of Child Support Enforcement (OCSE), 370 L'Enfant Promenade, SW., 4-East, Washington, DC 20447; phone (202) 401-5566, fax (202) 401-5539, e-mail: ocseinternational@acf.hhs.gov.

As of this date, reciprocity agreements have been signed, but are not yet in effect, with Costa Rica and Finland.

Questions regarding this notice, the status of negotiations, declarations and agreements may be obtained by contacting Mary Helen Carlson at the Office of the Assistant Legal Adviser for Private International Law, Suite 203 South Building, 2430 E Street, NW., Washington, DC 20037-2851; phone (202) 776-8420, fax (202) 776-8482, e-mail: carlsonmh@state.gov.

The law also permits individual states of the United States to establish or continue existing reciprocating arrangements with foreign countries when there has been no Federal declaration. Many states have such arrangements with additional countries not yet the subject of a Federal declaration. Information as to these arrangements may be obtained from the individual State IV-D Agency.

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice of intent of waiver with respect to land.

SUMMARY: The Federal Aviation Administration (FAA) is considering a proposal to change a portion of the

airport from aeronautical use to non-aeronautical use and to authorize the lease of the airport property. The area is a 224-acre parcel of vacant land located west of the airport. The land is presently subject to a farm lease. The land was acquired via quitclaim deed dated February 13, 1948, recorded February 27, 1948, in Jennings County, Deed Record No. 78, Page No. 634-636. There are no impacts to the airport by allowing the airport to lease the property. The land is not needed for aeronautical use, and will be sub-let to various future developers as an industrial airport. Approval does not constitute a commitment by the FAA to financially assist in the disposal of the subject airport property nor a determination of eligibility for grant-in-aid funding from the FAA. The disposition of the proceeds from the lease of the airport property will be in accordance with FAA's Policy and Procedures Concerning the Use of Airport Revenue, published in the **Federal Register** on February 16, 1999.
