

electronically to SSA as part of the disability application process. Third parties who wish to use this system must complete a unique registration process so the Agency can ensure they are authorized to access a claimant's electronic disability folder. This request is for the Third-Party Registration Form. The respondents are third-party representatives of disability applicants or recipients who want to use ERE to electronically access beneficiary folders and submit information to SSA.

Type of Request: New information collection.

Number of Respondents: 75,784.

Frequency of Response: 1.

Average Burden per Response: 3 minutes.

Estimated Annual Burden: 3,789 hours.

2. Representative Payee Evaluation Report—20 CFR 404.2065 & 416.665—0960-0069. Sections 205(j) and 1631(a)(2) of the Social Security Act provide that a representative payee may be appointed to receive benefits on behalf of an individual entitled to Title II and/or Title XVI benefits when that individual is unable to manage or direct the management of those funds him/herself. The representative payee is required to report to SSA at least once per year on how those funds received have been used or conserved. When a representative payee fails to adequately report to SSA as required, SSA will conduct a face-to-face interview with the payee to complete an SSA-624, Representative Payee Evaluation Report, in order to determine the continued suitability of the representative payee to serve as a payee. The respondents are individuals and organizations who act as representative payees for Title II and Title XVI benefits who fail to comply with SSA's statutory annual reporting requirement.

Type of Request: Extension of an OMB-approved information collection.

Number of Respondents: 252,000.

3. Request for Change in Time/Place of Disability Hearing—20 CFR 404.914(c)(2) and 416.1414(c)(2)—0960-0348. The information on Form SSA-769 is used by SSA and the State Disability Determination Services to provide claimants with a structured format to exercise their right to request a change in time or place of a scheduled disability hearing. The information will be used as a basis for granting or denying requests for changes and for rescheduling disability hearings.

Respondents are claimants who wish to request a change in the time and/or place of their hearing.

Type of Request: Extension of an OMB-approved information collection.

Number of Respondents: 7,483.

Frequency of Response: 1.

Average Burden per Response: 8 minutes.

Estimated Annual Burden: 998 hours.

4. Agency/Employer Government Pension Offset Questionnaire—20 CFR 404.408(a)—0960-0470. The information collected by form SSA-4163 will provide SSA with accurate information from the agency paying the pension, for purposes of applying the pension-offset provision. The form will be used only when (1) The claimant does not have the information and (2) the pension-paying agency has not cooperated with the claimant. Respondents are Federal and State Government agencies which have information needed by SSA to determine if the GPO applies and the amount of offset.

Type of Request: Extension of an OMB-approved information collection.

Number of Respondents: 1,000.
