Foreign-Trade Zones Board

Docket 42-2007

Foreign-Trade Zone 107 - Des Moines, Iowa, Application for Subzone Status, SPAL USA, Inc., (Vehicle Parts Distribution and Processing), Ankeny, Iowa

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Iowa Foreign-Trade Zone Corporation, grantee of FTZ 107, requesting special-purpose subzone status for the vehicle parts distribution and processing (kitting) facility of SPAL USA, Inc. (SPAL), located in Ankeny, Iowa. The application was submitted pursuant to the provisions of the FTZ Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR Part 400). It was formally filed on August 23, 2007.

The SPAL facility (28 employees, 5.5 acres) is located at 1731 SE Oralabor Road (1 building, 5.5 acres, 36,000 sq. ft.) in Ankeny, Iowa. The facility is used for the warehousing, distribution, repair and possible processing (i.e., kitting) of foreign-origin and domestic vehicle parts and equipment for the U.S. market and export. FTZ procedures would be utilized to support SPAL's Iowa-based distribution activity that competes with facilities located abroad.

Finished vehicle parts to be admitted to the proposed subzone for distribution and processing would include circuit connectors, motorized linear actuators, motor assemblies, door cutters, power door lock kits/window kits, radio remote control apparatus, switches/switch kits and accessories, screws,

wire, trade advertising material, control valve pressure sensors, and automotive fans and blowers (duty rates range: duty-free to 6.2%).

SPAL could also conduct certain kitting operations under FTZ procedures in the future (e.g., combine foreign-origin fans and blowers with a domestic harness and combine foreign circuit connectors with a domestic harness). Kitting would be limited to foreign components included in the list of finished vehicle parts in the preceding paragraph.

FTZ procedures would exempt SPAL from Customs duty payments on foreign products that are re-exported. Some ten percent of the plant's shipments are exported. On domestic sales, the company would be able to defer payments until merchandise is shipped from the facility and entered for U.S. consumption. For its processing activity, SPAL would be able to elect the duty rate that applies to finished products for the foreign-sourced inputs noted above. SPAL also plans to realize logistical benefits through the use of weekly entry procedures. The application indicates that all of the above-cited savings from FTZ procedures would help improve the facility's international competitiveness.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment on the application is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is October 30, 2007. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to November 14, 2007.

A copy of the application and accompanying exhibits will be available for public inspection at each of the following locations: U.S. Department of Commerce Export Assistance Center, 210 Walnut Street, Suite 749, Des Moines, Iowa 50309; and, the Office of the Executive Secretary, Foreign-Trade Zones Board, U.S. Department of Commerce, Room 2111, 1401 Constitution Avenue, NW., Washington, DC 20230.

Docket 41-2007

Foreign-Trade Zone 161 - Wichita, Kansas, Expansion of Subzone and Scope of Manufacturing Authority, Subzone 161A, Hospira, Inc. (Pharmaceutical Products), McPherson, Kansas

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Board of County Commissioners of Sedgwick, Kansas, grantee of FTZ 161, requesting to expand the subzone and scope of manufacturing authority under zone procedures for Subzone 161A, at the Hospira, Inc. (Hospira) facility in McPherson, Kansas. It was formally filed on August 23, 2007.

Subzone 161A was approved by the Board in 1994 at Hospira's plant (2 buildings totaling 265,000 square feet, 72% of which is devoted to manufacturing, on 160 acres) located at 1776 North Centennial Drive, in McPherson, Kansas. The facility (775 employees) is used to produce and/or distribute a wide range of pharmaceuticals (Board Order 699, 59 FR 38431, 7/20/94).

Hospira is now requesting authority to expand the subzone to include an additional 301,310 square feet at the main building, located at 1776 North Centennial Drive in McPherson, Kansas, for the distribution and manufacture of pharmaceutical products. The applicant is also requesting authority to add rubber stoppers (HTSUS 4016.99.1500) to its scope of manufacturing authority. Hospira's scope also includes a broad range of inputs and pharmaceutical final products that it may produce under FTZ procedures in the future. (New major activity in these inputs/products would require review by the FTZ Board.) The duty rates for these inputs and final products range from duty-free to 17.6 percent.

Zone procedures would exempt Hospira from Customs duty payments on foreign materials used in production for export (some 10-15% of shipments). On domestic shipments, the company would be able to defer Customs duty payments on foreign materials, and to choose the duty rate that applies to the finished products (duty-free to 5%)

instead of the rates otherwise applicable to the foreign input materials (duty-free to 17.6%). McPherson also expects to realize additional savings through the use of weekly entry procedures. The application indicates that the savings from zone procedures would help improve the plant's international competitiveness.

In accordance with the Board's regulations, a member of the FTZ staff has been designated examiner to investigate the application and report to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is October 30, 2007. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to November 14, 2007.)

A copy of the application and accompanying exhibits will be available for public inspection at each of the following locations: U.S. Department of Commerce Export Assistance Center, 150 N. Main Street, Suite 200, Wichita, Kansas 67202-1305 and the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue, NW., Washington, DC 20230.

Order No. 1522

Reorganization of Foreign-Trade Zone 181-Site 2, Trumbull and Mahoning Counties, Ohio

Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a-81u), the Foreign-Trade Zones Board (the Board) adopts the following Order:

Whereas, the Northeast Ohio Trade & Economic Consortium, grantee of Foreign-Trade Zone No. 181, submitted an application to the Board for authority to reorganize FTZ 181-Site 2, in Trumbull and Mahoning Counties, Ohio, within the Cleveland Customs and Border Protection (CBP) port of

entry (FTZ Docket 2-2007, filed 1/22/2007);

Whereas, notice inviting public comment was given in the **Federal Register** (72 FR 6200, 2/9/2007) and the application has been processed pursuant to the FTZ Act and the Board's regulations; and,

Whereas, the Board adopts the findings and recommendations of the examiner's report, and finds that the requirements of the FTZ Act and the Board's regulations are satisfied, and that the proposal is in the public interest;

Now, therefore, the Board hereby orders:

The application to reorganize FTZ 181 - Site 2 is approved, subject to the Act and the Board's regulations, including Section 400.28, and further subject to the Board's standard 2,000-acre activation limit for the overall general-purpose zone project, and a sunset provision that would terminate authority on December 31, 2012 for any of the additional parcels at Site 2, where no activity has occurred under FTZ procedures before that date.

Signed at Washington, DC, this 23rd day of August 2007.

[Order No. 1520]

Designation Of New Grantee For Foreign-Trade Zone 147, Reading, Pennsylvania Area Resolution And Order

Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a-81u), and the Foreign-Trade Zones Board Regulations (15 CFR Part 400), the Foreign-Trade Zones Board (the Board) adopts the following Order:

The Foreign-Trade Zones (FTZ) Board (the Board) has considered the application (filed 12/15/2006) submitted by the Foreign Trade Zone Corporation of Southeastern Pennsylvania, grantee of FTZ 147, Reading, Berks County, Pennsylvania, requesting reissuance of the grant of authority for said

zone to the FTZ Corp of Southern Pennsylvania, a non-profit organization, which has accepted such reissuance subject to approval by the FTZ Board. Upon review, the Board finds that the requirements of the FTZ Act and the Board's regulations are satisfied, and that the proposal is in the public interest.

Therefore, the Board approves the application and recognizes the FTZ Corp of Southern Pennsylvania as the new grantee of Foreign Trade Zone 147, subject to the FTZ Act and the Board's regulations, including Section 400.28.
