V. Application Review Information

1. *General:* For FY 2008, applications are randomly divided into seven groupings. International business and outreach experts, organized into seven panels of three, will review each application. Each panel reviews, scores, and ranks its applications separately from the applications assigned to the other panels. However, ultimately, all applications, without being divided into groups, will be ranked from the highest to the lowest score for funding purposes.

2. *Selection Criteria:* The selection criteria for this program are in 34 CFR 661.31 and are as follows: (a) Need for the project (25 points); (b) plan of operation (20 points); (c) qualifications of the key personnel (10 points); (d) budget and cost effectiveness (15

points); (e) evaluation plan (25 points); and (f) adequacy of resources (5 points).

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notice (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section in this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section in this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. Grantees are required to use the electronic data instrument, *International Resource Information System* (IRIS), to complete both the annual and final reports. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. *Performance Measures:* Under the Government Performance and Results Act of 1993 (GPRA), the objective for the Business and International Education Program (BIE) is to meet the nation's security and economic needs through the development of a national capacity in foreign languages, and area and international studies.

The Department will use the following measures to evaluate its success in meeting this objective.

BIE Performance Measures: (1) The number of outreach activities that are adopted or disseminated within a year, divided by the total number of BIE outreach activities conducted in the reporting period. (2) Percentage of BIE projects judged to be successful by the program officer, based on a review of information provided in annual performance reports.

The information provided by grantees in their performance reports submitted via IRIS will be the source of data for this measure. Reporting screens for institutions can be viewed at: <http://www.ieps-iris.org/iris/pdfs/BIE.pdf>.

SUPPLEMENTARY INFORMATION: The National Assessment Governing Board

is established under section 412 of the National Education Statistics Act of 1994, as amended.

The Board is established to formulate policy guidelines for the National Assessment of Educational Progress (NAEP). The Board's responsibilities include selecting subject areas to be assessed, developing assessment objectives, developing appropriate student achievement levels for each grade and subject tested, developing guidelines for reporting and disseminating results, and developing standards and procedures for interstate and national comparisons.

On November 15, the Executive Committee will meet in closed session from 4:30 p.m. to 6 p.m. to receive a briefing from the National Center for Education Statistics on contractor costs and contract options under National Assessment of Educational Progress (NAEP) contracts awarded in Fiscal Year 2007, covering the 2008–2012 assessment years. The discussion of contractor costs and contract options will address the implications for congressionally mandated goals and adherence to Board policies on NAEP assessments. This part of the meeting must be conducted in closed session because public discussion of this information would disclose proprietary information submitted by the successful contractors and have an adverse effect on the confidentiality of the contracting process. The meeting must therefore be conducted in closed session as disclosure of technical and cost data would significantly impede implementation of the NAEP contract awards, and is therefore protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

On November 16, the full Board will meet in open session from 8:30 a.m. to 9:15 a.m. The Board will approve the agenda and new Board members will be administered the Oath of Office. The Governing Board will receive a report from the Executive Director and hear an update on the work of the National Center for Education Statistics (NCES).

The Assessment Development Committee will meet in closed session on November 16 from 9:30 a.m. to 11:30 a.m. to review secure science pilot items for grades 4, 8, and 12 for the 2009 National Assessment of Educational Progress (NAEP). The meeting must be conducted in closed session as disclosure of proposed test items for the science pilot would significantly impede implementation of the NAEP program, and is therefore protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C. From 11:30 a.m. to 12:30

p.m., the Committee will meet in open session.

On November 16, the Committee on Standards, Design and Methodology, and the Reporting and Dissemination Committee will meet in open session from 9:30 a.m. to 12:30 p.m.

On November 16, the full Board will meet in closed session from 12:45 p.m. to 2:15 p.m. to receive a briefing on results of the 2007 NAEP Trial Urban District Assessment (TUDA) Reading and Mathematics Report Card. The Governing Board will be provided with embargoed data on the report that cannot be discussed in an open meeting prior to their official release. The meeting must therefore be conducted in closed session as premature disclosure of data would significantly impede implementation of the NAEP program, and is therefore protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

On November 16 from 2:15 p.m. to 3:15 p.m. the Board will receive an update from the Chair of the Technical Panel on 12th Grade Preparedness Research. Thereafter, Board members will receive a closed session briefing on Ethics from the Office of General Counsel from 3:30 p.m. to 4 p.m.

On November 17, the Nominations Committee will meet in closed session from 7:45 a.m. to 8:45 a.m. to review and discuss confidential information regarding nominees received for Board vacancies for terms beginning on October 1, 2008. These discussions pertain solely to internal personnel rules and practices of an agency and will disclose information of a personal nature where disclosure would constitute an unwarranted invasion of personal privacy. As such, the discussions are protected by exemptions 2 and 6 of section 552b(c) of Title 5 U.S.C.

The full Board will meet in open session on November 17 from 9 a.m. to 12 p.m. From 9 a.m. to 10 a.m., the Board will receive a briefing on developing NAEP Frameworks and Test Questions. Board actions on policies and Committee reports are scheduled to take place between 10:15 a.m. and 12 p.m., upon which the November 17, 2007 session of the Board meeting will adjourn.

Detailed minutes of the meeting, including summaries of the activities of the closed sessions and related matters that are informative to the public and consistent with the policy of section 5 U.S.C. 552b(c) will be available to the public within 14 days of the meeting. Records are kept of all Board proceedings and are available for public inspection at the U.S. Department of Education, National Assessment

Governing Board, Suite #825, 800 North Capitol Street, NW., Washington, DC, from 9 a.m. to 5 p.m. Eastern Standard Time, Monday through Friday.

The Advisory Committee serves as an independent source of advice and counsel to the Congress and the Secretary of Education on student financial aid policy. Since its inception, the congressional mandate requires the Advisory Committee to conduct objective, nonpartisan, and independent analyses on important aspects of the student assistance programs under Title IV of the Higher Education Act, and to make recommendations that will result in the maintenance of access to postsecondary education for low- and middle-income students. In addition, Congress expanded the Advisory Committee's mission in the Higher Education Amendments of 1998 to include several important areas: Access, Title IV modernization, distance education, and early information and needs assessment.
