1. Sheltered Workshop Wage Reporting—0960-NEW.

Collection Background

Section 1612(1)(C) of the Social Security Act (the Act) and 42 U.S.C. 1382a define remuneration received for services performed in a sheltered workshop as earned income for the SSI program. The amount of monthly wages determines an individual's SSI benefit amount.

Collection Description

SSA has maintained a working relationship with sheltered workshops since the inception of the SSI program. Most workshops report monthly wage totals to the local SSA office so that the client's SSI check is adjusted timely and overpayments are prevented. While participation of the workshop is strictly voluntary, they are highly motivated to report the wages because it provides a service to their clients. Sheltered Workshop reporting reduces the number of overpayments to SSI recipients. Processing these wage reports electronically reduces the cost of administering the program. SSA uses the information collected to verify and post monthly wages to the SSI recipient's record. Respondents are sheltered workshops that report monthly wages for services performed in the workshop.

Type of Request: New information collection.

Number of Respondents: 1,000.

Frequency of Response: 12.

Average Burden Per Response: 5 minutes.

Estimated Annual Burden: 1,000 hours.

2. Request for Waiver of Special Veterans Benefits (SVB) Overpayment Recovery or Change in Repayment Rate—20 CFR 408.900-408.950, 408.923(b), 408.931(b), 408.932(c), (d)

and (e), 408.941(b) and 408.942—0960-0698. Title VIII allows the payment of a monthly benefit by the Commissioner of Social Security to a qualified World War II veteran who resides outside the United States. When an overpayment in SVB occurs, the beneficiary can use this form to request waiver of recovery of the overpayment or a change in the repayment rate. The SSA-2032-BK will be used to obtain the information necessary to determine whether the provisions of the Act regarding waiver of recovery of the overpayment are met. The information on the form is needed to determine a repayment rate if repayment cannot be waived. The respondents are beneficiaries who have overpayments on their Title VIII record and wish to file a claim for waiver of recovery or change in repayment rate.

Type of Request: Extension of an OMB-approved information collection.

Number of Respondents: 39.

Frequency of Response: 1.

Average Burden Per Response: 120 minutes.

Estimated Annual Burden: 78 hours.

Dated: October 29, 2007.

Elizabeth A. Davidson,

Reports Clearance Officer, Social Security Administration.

Project Background

The FHWA, in cooperation with the Iowa Department of Transportation (Iowa DOT), the City of Council Bluffs, and Pottawattamie County, will be preparing an EIS for the proposed East Beltway. The proposed project includes roadway improvements between US 6/225th Street and IA 92/Orchard Road, and improvements on the connecting roadways of Steven Lane and Greenview Road.

Council Bluffs and Pottawattamie County have developed a joint plan ("Two Mile Limit Study") for development and infrastructure needs east of Council Bluffs to accommodate projected development growth in the metropolitan area. From the Two Mile Limit Study, the East Beltway was identified as an infrastructure need for the development area. The proposed East Beltway will provide a north/south route east of I-80 and provide access to existing and future development within the Little Pony Creek drainage basin and parts of unincorporated Pottawattamie

County. The proposed project would also provide system continuity for the Council Bluffs/Omaha area by providing a connection between US 6 and IA 92. The proposed East Beltway would relieve congestion on I-80 and the southeast I-29/I-80 systems interchange.

Potential alternatives and combinations thereof will include but are not limited to: (1) Taking no action, *i.e.*, the No-Build Alternative; (2) strategies to better manage transportation demand; (3) improving existing roadways, pedestrian walkways, and bikeways; and (4) constructing a new roadway connection.

The build alternative will include consideration of various alignments and grades in order to minimize potential environmental impacts. Letters describing the proposed action and soliciting comments will be sent to appropriate Federal, State, and local agencies, and to private organizations and citizens who have previously expressed or are known to have interest in the proposed project.

The EIS will be initiated with a scoping process. The scoping process will include a program of public outreach and agency coordination that will be conducted over the next several months in order to elicit input on the project purpose and need, potential alternatives, significant and insignificant issues, and collaborative methods for analyzing transportation alternatives and environmental impacts.

As part of the scoping process, several public meetings will be held in Council Bluffs or unincorporated Pottawattamie County, to meet with federal, state, and local agencies, as well as private individuals and organizations concerned with the project. In addition, a public hearing will be held in connection with the circulation of the draft EIS (DEIS). Public notice will be given concerning the date and location of the public meeting(s) and public hearing.

The information gained during the scoping process will be widely disseminated and used to guide the development of the EIS. All comments and input received during the scoping and subsequent steps of the EIS process will be considered and documented. Beginning with scoping, continuous and regularly public involvement and agency coordination will continue throughout the preparation of the EIS.

To ensure that a full range of issues are addressed in relation to the proposed action and that all significant issues are identified, all interested parties are invited to submit comments and suggestions. Comments or questions

concerning the proposed action and the EIS should be directed to the FHWA or Iowa Department of Transportation at the address provided on page one in the section titled **FOR FURTHER INFORMATION CONTACT**.
