Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, in an effort to ensure that minorities, women, and persons with disabilities are aware of this notice, FSIS will announce it online through the FSIS Web page located at http://www.fsis.usda.gov/regulations/2007_Notices_Index/. FSIS will also make copies of this **Federal Register** publication available through the FSIS Constituent Update, which is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, and other types of information that could affect or would be of interest to constituents and stakeholders. The Update is communicated via Listserv, a free electronic mail subscription service for industry, trade groups, consumer interest groups, health professionals, and other individuals who have asked to be included. The Update is also available on the FSIS Web page. Through the Listserv and Web page, FSIS is able to provide information to a much broader and more diverse audience. In addition, FSIS offers an electronic subscription service which provides automatic and customized access to selected food safety news and information. This service is available at http://www.fsis.usda.gov/news_and_events/email_subscription/. Options range from recalls to export information to regulations, directives and notices. Customers can add or delete subscriptions themselves, and have the option to password protect their accounts.

Foreign Agricultural Service

Notice of Request for Revision of a Currently Approved Information Collection

AGENCY: Foreign Agricultural Service, USDA.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, this notice announces the Foreign

Agricultural Service's intention to request a renewal of current information collection processes currently used in support of Exporter Assistance programs. This request to renew is based on estimates of the public burden set forth in the abstract.

DATES: Comments on this notice must be received by January 7, 2008 to be assured of consideration.

Requests for Comments: Send comments regarding (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of automated electronic, mechanical, or other technological collection techniques or other forms of information technology. Comments and questions regarding the Export Assistance Programs registration forms, surveys and qualification criteria should be sent to: Maria Nemeth-Ek, Branch Chief, Overseas Trade Support Group, Market Development and Grants Management Division, Office of Trade Programs, Foreign Agricultural Service, U.S. Department of Agriculture, 1400 Independence Avenue, SW., Stop 1052, Washington, DC 20250-1052. All written comments received will be available for public inspection at the above address during business hours from 8 a.m. to 5 p.m.—Phone (202) 720-6343, Fax: (202) 690-0193.

SUPPLEMENTARY INFORMATION:

Title: Export Services.

OMB Number: 0551-0031.

Expiration Date of Approval: March 31, 2008.

Type of Request: Renewal of a currently approved information collection process.

Abstract: The major objective of the Overseas Trade Support Group is to expand U.S. agricultural exports by helping U.S. companies to sell their products outside the United States. U.S. companies use the Foreign Buyer List service to learn of 20,000 buyers in more than 25 countries who specialize in the importation and distribution of U.S. products in their country. Specific program and form information is available at: http://www.fas.usda.gov/agx/buying_us/foreign_buyers_exporters.asp. Each year

a certain number of trade shows are selected in the best prospective markets to host a U.S.A. pavilion where U.S. companies can promote their products to buyers. A list of USDA endorsed shows is available at: http://www.fas.usda.gov/agx/trade_events/trade_events.asp. The Exporter Assistance section of the FAS Web site <http://www.fas.usda.gov/>, a one-stop-shop for either the experienced or novice exporter offers information about exporting and easy access to register for these services. Customer service surveys are collected at various trade shows and evaluations of Foreign Buyers List data are downloaded annually in order to improve the effectiveness of these services. The information is necessary to manage, plan and evaluate the effectiveness of these services, which are intended to help U.S. companies to market and sell their products in overseas markets. Authority to collect this information falls under 7 U.S.C. part 1761 and is voluntary for U.S. companies to participate. A small fee is charged for some of the services.

Estimate of Burden: The burden to U.S. exporters is estimated to average 0.25 hours per response.

Respondents: U.S. agricultural exporters of food, farm, and forest products.

Estimated Number of Respondents: 3000 per annum.

Estimated Number of Responses per Respondent: 4 per annum.

Estimated Total Annual Burden of Respondents: 3000 hours per annum.

Copies of this information collection can be obtained from Tamoria Thompson-Hall, the Agency Information Collection Coordinator, at (202) 720-1690.

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Signed at Washington, DC.

Michael W. Yost,

Administrator, Foreign Agricultural Service.

Rural Utilities Service

Dry Fork Station and Hughes Transmission Project

AGENCY: Rural Utilities Service, USDA.

ACTION: Notice of Termination of Environmental Impact Statement.

SUMMARY: Notice is hereby given that the Rural Utilities Service (RUS), an agency delivering the United States Department of Agriculture (USDA) Rural Development Utilities Programs, hereinafter referred to as Rural Development, is terminating further preparation of an Environmental Impact Statement (EIS) for the Dry Fork Station and Hughes Transmission Project in Campbell and Sheridan Counties, Wyoming.

The purpose of the EIS was to evaluate the potential environmental impacts of and alternatives to the Basin Electric Power Cooperative, Inc. (Basin Electric) application for a Rural Development loan guarantee to construct and operate a coal-fired electric generation facility referred to as the Dry Fork Station. Basin Electric did not request a loan guarantee from Rural Development for the Hughes Transmission Line, but it was being evaluated as a connected action for the EIS. Basin Electric withdrew their application to Rural Development on October 17, 2007.

A Draft EIS was filed with the U.S. Environmental Protection Agency on August 24, 2007, and notice of an extension of the public comment period to November 19, 2007, appeared in the **Federal Register** on October 17, 2007 ("Notice of Extension of Public Comment Period, Draft Environmental Impact Statement, Dry Fork Station and Hughes Transmission Line, Wyoming", 72 FR 59071). Public hearings on the Draft EIS were held in Sheridan, Wyoming on September 25, 2007, and in Gillette, Wyoming on September 26, 2007.
