Rescission of Reviews

In accordance with 19 CFR 351.213(d) the Department will rescind an administrative review “if a party that requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review.” We received all of the above withdrawal letters, except one, within the 90-day time limit. Although Mori Seiki Co., Ltd., withdrew its request 91 days after initiation of the review, we have honored this request because we have not expended significant resources with regard to Mori Seiki Co., Ltd., and no party has objected to Mori Seiki Co., Ltd.’s late withdrawal of its request. Because the Department received no other requests for review of these firms, the Department is rescinding the reviews in part with respect to ball bearings and parts thereof from France, Germany, Italy, Japan, and the United Kingdom by these firms. The above rescissions are pursuant to 19 CFR 351.213(d)(1). The Department will issue appropriate assessment instructions to U.S. Customs and Border Protection 15 days after publication of this notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under section 351.402(f) of the Department’s regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s assumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties.

This notice serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

We are issuing and publishing these rescissions in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

SUPPLEMENTARY INFORMATION:**Background**

On October 12, 2007, the Department of Commerce (the Department) published in the **Federal Register** the final results of the administrative reviews of the antidumping duty orders on ball bearings and parts thereof (ball bearings) from France, Germany, Italy, Japan, Singapore, and the United Kingdom. *See Ball Bearings and Parts Thereof from France, et al.: Final Results of Antidumping Duty Administrative Reviews and Rescission of Review in Part*, 72 FR 58053 (October 12, 2007) (*Final Results*).

We received a timely allegation of ministerial error pursuant to 19 CFR § 351.224(c) from Mori Seiki Co., Ltd., that, due to an error in our calculations, we did not make comparisons between certain models sold in the United States and similar models sold by Mori Seiki Co., Ltd. in its home market. We also received a timely allegation of ministerial error pursuant to 19 CFR § 351.224(c) from the Timken US Corporation that, due to an error in our

calculations, we did not designate the level of trade correctly for certain U.S. sales made by the Barden Corporation/Schaeffler UK. We agree that these are ministerial errors and are hereby amending the final results to correct these errors in accordance with 19 CFR § 351.224(e).

Amended Final Results of Reviews

As a result of the corrections of the clerical errors, the following weighted-average margins exist for exports of ball bearings by Mori Seiki Co., Ltd. and the Barden Corporation/Schaeffler UK for the period May 1, 2005, through April 30, 2006:

Company - Country	Margin (percent)
Mori Seiki Co., Ltd. – Japan	0.19
The Barden Corporation. Schaeffler UK – United Kingdom	0.72

Assessment Rates

The Department will determine and the U.S. Bureau of Customs and Border Protection (CBP) shall assess antidumping duties on all appropriate entries. We intend to issue appropriate assessment instructions directly to CBP 15 days after publication of these amended final results of reviews. Where the importer-/customer-specific assessment rate or amount is above *de minimis*, we will instruct CBP to assess duties on all entries of subject merchandise by that importer or for that customer.

We will also direct CBP to collect cash deposits of estimated antidumping duties on all appropriate entries in accordance with the procedures discussed in the Final Results and at the rates as amended by this notice. The amended deposit requirements are effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date these amended final results are published in the **Federal Register** (except no cash deposit will be required for Mori Seiki Co., Ltd., which has a weighted-average margin of 0.19 percent which is *de minimis*, i.e., less than 0.5 percent).

We are issuing and publishing these determinations and notice in accordance with sections 751(a)(1) and 777(i) of the Tariff Act of 1930, as amended, and 19 CFR § 351.224(e).

Dated: November 8, 2007.

Canned Pineapple Fruit from Thailand: Extension of Time Limit for Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: November 16, 2007.

FOR FURTHER INFORMATION CONTACT: Myrna Lobo or Douglas Kirby, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, Department of Commerce, Room 7866, 14th Street and Constitution Avenue, NW, Washington DC 20230; telephone: (202) 482-2371 or (202) 482-3782, respectively.

Background

On August 8, 2007, the Department published the preliminary results of the administrative review of the antidumping duty order on canned pineapple fruit (CPF) from Thailand for the period July 1, 2005 through June 30, 2006. *See Canned Pineapple Fruit from Thailand: Preliminary Results of Antidumping Duty Administrative Review*, 72 FR 44490 (August 8, 2007). This review covers two producers/exporters of the subject merchandise to the United States, Vita Food Factory (1989) Ltd. (Vita) and Tropical Food Industries Co. Ltd. (Trofco).

Extension of Time Limit for Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act) requires the Department to issue the final results in an administrative review within 120 days of the publication date of the preliminary results. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to a maximum of 180 days. The Department has determined that completion of the final results of this review within the original time period is not practicable due to the additional analysis that must be performed on the information collected at verification conducted since the issuance of the preliminary results. Specifically, the Department requires additional time to analyze selling agent relationships pertaining to respondent. Thus, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for issuing the final results of review by an

additional 60 days, until February 4, 2008.

This notice is published pursuant to sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: November 7, 2007.
