Abstract:

a. VA operates an outreach services program to ensure veterans and beneficiaries have information about benefits and services to which they may be entitled. To support the program, VA distributes copies of publications to Veterans Service Organizations' representatives to be used in rendering services and representation of veterans, their spouses and dependents. Service organizations complete VA Form 3215 to request placement on a mailing list for specific VA publications.

b. Veterans or beneficiaries complete VA Form 3288 to provide VA with a written consent to release his or her records or information to third parties

such as insurance companies, physicians and other individuals.

c. VA Form Letter 70-2 is used to obtain additional information from a correspondent when the incoming correspondence does not provide sufficient information to identify a veteran. VA personnel use the information to identify the veteran, determine the location of a specific file, and to accomplish the action requested by the correspondent such as processing a benefit claim or file material in the individual's claims folder.

d. Title 38 U.S.C.5701(f)(1) authorized the disclosure of names or addresses, or both of present or former members of the Armed Forces and/or their beneficiaries to nonprofit organizations (including members of Congress) to notify veterans of Title 38 benefits and to provide assistance to veterans in obtaining these benefits. This release includes VA's Outreach Program for the purpose of advising veterans of non-VA Federal State and local benefits and programs.
