

individual, his/her representative, or to those who have a need to access the information in performing assigned duties in the process of determining access to SGI. No individual authorized to have access to the information may re-disseminate the information to any other individual who does not have a need-to-know.

3. The personal information obtained on an individual from a criminal history records check may be transferred to another licensee if the gaining licensee receives the individual's written request to re-disseminate the information contained in his/her file, and the gaining licensee verifies information such as the individual's name, date of birth, social security number, sex, and other applicable physical characteristics for identification purposes.

4. The licensee shall make criminal history records, obtained under this section, available for examination by an authorized NRC representative, to determine compliance with the regulations and laws.

5. The licensee shall retain all fingerprint and criminal history records received from the FBI, or a copy, if the individual's file has been transferred, for three (3) years after termination of employment or determination of access to SGI. After the required three (3) year period, these documents shall be destroyed by a method that will prevent reconstruction of the information in whole or in part.

BILLING CODE 7590-01-P

OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

Request for Comments Concerning Compliance With Telecommunications Trade Agreements

AGENCY: Office of the United States Trade Representative.

ACTION: Notice of request for public comment and reply comment.

SUMMARY: Pursuant to section 1377 of the Omnibus Trade and Competitiveness Act of 1988 (19 U.S.C. 3106) ("section 1377"), the Office of the United States Trade Representative ("USTR") is reviewing and requests comments on: The operation, effectiveness, and implementation of and compliance with the following agreements regarding telecommunications products and services of the United States: the World Trade Organization ("WTO") Agreement; the North American Free Trade Agreement ("NAFTA"); U.S. free trade agreements ("FTAs") with Australia, Bahrain, Chile, Morocco, and Singapore; the Dominican Republic—Central America—United States Free Trade Agreement ("CAFTA-DR"); and any other FTA or telecommunications trade agreement coming into force on or before January 1, 2008. The USTR will conclude the review by March 31, 2008.

DATES: Comments are due by noon on December 21, 2007 and Reply Comments by noon on January 25, 2008.

ADDRESSES: Gloria Blue, Executive Secretary, Trade Policy Staff Committee, Attn: Section 1377 Comments, Office of the United States Trade Representative, 1724 F Street, NW., Washington, DC 20508.

FOR FURTHER INFORMATION CONTACT:

Catherine Hinckley, Office of Industry, Market Access, and Telecommunications (202) 395-9539; or Amy Karpel, Office of the General Counsel (202) 395-3150.

SUPPLEMENTARY INFORMATION: Section 1377 requires the USTR to review annually the operations and effectiveness of all U.S. trade agreements regarding telecommunications products and services of the United States that are in force with respect to the United States. The purpose of the review is to determine whether any act, policy, or practice of a country that has entered into an FTA or other telecommunications trade agreement with the United States is inconsistent with the terms of such agreement or otherwise denies U.S. firms, within the context of the terms of such agreements, mutually advantageous market opportunities. For the current review, the USTR seeks comments on:

(1) Whether any WTO member is acting in a manner that is inconsistent with its obligations under WTO agreements affecting market opportunities for telecommunications products or services, e.g., the WTO General Agreement on Trade in Services ("GATS"), including the Annex on Telecommunications and any scheduled commitments including the Reference Paper on Pro-Competitive Regulatory Principles;

(2) Whether Canada or Mexico has failed to comply with its telecommunications obligations under the NAFTA;

(3) Whether El Salvador, the Dominican Republic, Guatemala, Honduras or Nicaragua has failed to comply with its telecommunications obligations under the CAFTA-DR;

(4) Whether Australia, Bahrain, Chile, Morocco, Singapore, or any other country for which an FTA with the United States will be in force before January 1, 2008, has failed to comply with its telecommunications obligations under the respective FTA between the United States and that country (see http://www.ustr.gov/Trade_Agreements/Section_Index.html for U.S. FTAs);

(5) Whether any country has failed to comply with its obligations under

telecommunications trade agreements with the United States other than FTAs, e.g., Mutual Recognition Agreements (MRAs) for Conformity Assessment of Telecommunications Equipment (see <http://www.tcc.mac.doc.gov> for a collection of trade agreements related *inter alia* to telecommunications);

(6) Whether any country has permitted or encouraged extensive reliance on or abuse of its judicial system to systematically or unreasonably delay or prevent regulatory action to ensure its compliance with obligations under telecommunications trade agreements

(7) Whether any act, policy, or practice of a country cited in a previous section 1377 review remains unresolved (see http://www.ustr.gov/Trade_Sectors/Telecom-E-commerce/Section_1377/Section_Index.html for the 2007 review); and

(8) Whether any measures or practices impede access to telecommunications markets or otherwise deny telecommunications products and services of the United States market opportunities with respect to any country that is a WTO member or for which an FTA or telecommunications trade agreement has entered into force between such country and the United States. Measures or practices of interest include, for example, prohibitions on voice over the Internet (VOIP) services; requirements for access or use of networks that limit the products or services U.S. suppliers can offer in specific markets; and the imposition of unnecessary or discriminatory technical regulations or standards in the telecom product or services sectors.

Public Comment and Reply Comment: Requirements for Submission

All comments must be in English, must identify (on the first page of the comments) the telecommunications trade agreement(s) discussed therein, and must be submitted by noon on December 21, 2007. Reply comments must also be in English and must be submitted by noon on January 25, 2008. Reply comments should only address issues raised by the comments.

In order to ensure the most timely and expeditious receipt and consideration of comments and reply comments, USTR has arranged to accept submissions in electronic format (e-mail). Comments should be submitted electronically to FR0502@ustr.eop.gov. An automatic reply confirming receipt of an e-mail submission will be sent. E-mail submissions in, Adobe Acrobat, Microsoft Word, or Corel WordPerfect are preferred. If a word processing application other than those three is

used, please identify in your submission the specific application used. For any comments submitted electronically containing business confidential information, the file name of the business confidential version should begin with the characters "BC". Any page containing business confidential information must be clearly marked "BUSINESS CONFIDENTIAL" on the top of that page. Filers of submissions containing business confidential information must also submit a public version of their comments. The file name of the public version should begin with the character "P". The "BC" and "P" should be followed by the name of the person or entity submitting the comments or reply comments. Filers submitting comments containing no business confidential information should name their file using the character "P", followed by the name of the person or entity submitting the comments or reply comments. Electronic submissions should not contain separate cover letters; rather, information that might appear in a cover letter should be included in the submission itself. Similarly, to the extent possible, any attachments to a submission should be included in the same file as the submission itself and not as separate files. All non-confidential comments and reply comments will be placed on the USTR Web site, <http://www.ustr.gov>, and in the USTR Reading Room for inspection shortly after the filing deadline, except business confidential information exempt from public inspection in accordance with 15 CFR 2003.6.

We strongly urge submitters to avail themselves of the electronic filing, if at all possible. If an e-mail submission is impossible, the submitter must deliver 15 copies of both the business confidential and the public versions via private commercial courier along with a diskette containing a copy of the business confidential and public version of the submission. Arrangements must be made with Ms. Blue prior to delivery for the receipt of such submissions. Ms. Blue should be contacted at (202) 395-3475.

An appointment to review any comments and reply comments filed may be made by calling the USTR Reading Room at (202) 395-6186. The USTR Reading Room is open to the public from 9:30 a.m. to 12 noon and from 1 p.m. to 4 p.m., Monday through

Friday, and is located in Room 3 of 1724 F Street, NW.

RAILROAD RETIREMENT BOARD

Agency Forms Submitted for OMB Review, Request for Comments

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Railroad Retirement Board (RRB) is forwarding an Information Collection Request (ICR) to the Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget (OMB) to request a revision to a currently approved collection of information: 3220-0151, Representative Payee Monitoring consisting of Form(s) G-99a, Representative Payee Report and G-99c, Representative Payee Evaluation Report. Our ICR describes the information we seek to collect from the public. Review and approval by OIRA ensures that we impose appropriate paperwork burdens.

The RRB invites comments on the proposed collection of information to determine (1) The practical utility of the collection; (2) the accuracy of the estimated burden of the collection; (3) ways to enhance the quality, utility and clarity of the information that is the subject of collection; and (4) ways to minimize the burden of collections on respondents, including the use of automated collection techniques or other forms of information technology. Comments to RRB or OIRA must contain the OMB control number of the ICR. For

proper consideration of your comments, it is best if RRB and OIRA receive them within 30 days of publication date.

Under Section 12 of the Railroad Retirement Act (RRA), the RRB may pay annuity benefits to a representative payee when an employee, spouse or survivor annuitant is incompetent or a minor. The RRB is responsible for determining if direct payment to an annuitant or a representative payee would best serve the annuitant's best interest. The accountability requirements authorizing the RRB to conduct periodic monitoring of representative payees, including a written accounting of benefit payments received, are prescribed in 20 CFR 266.7.

The RRB utilizes the following forms to conduct its representative payee monitoring program. Form G-99a, *Representative Payee Report*, is used to obtain information needed to determine whether the benefit payments certified to the representative payee have been used for the annuitant's current maintenance and personal needs and whether the representative payee continues to be concerned with the annuitant's welfare. RRB Form G-99c, *Representative Payee Evaluation Report*, is used to obtain more detailed information from a representative payee who fails to complete and return Form G-99a, or in situations when the returned Form G-99a indicates the possible misuse of funds by the representative payee. Form G-99c contains specific questions concerning the representative payee's performance and is used by the RRB to determine whether or not the representative payee should continue in that capacity. Completion of the forms in this collection is required to retain benefits.

Previous Requests for Comments: The RRB has already published the initial 60-day notice (72 FR 48696 on August 24, 2007) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.

Information Collection Request (ICR)

Title: Representative Payee Monitoring.

OMB Control Number: 3220-0151.

Form(s) submitted: G-99a, G-99c.

Type of request: Revision of a currently approved collection.

Affected public: Individuals or households.

Abstract: Under Section 12(a) of the Railroad Retirement Act, the RRB is authorized to select, make payments to, and conduct transactions with an annuitant's relative or some other person willing to act on behalf of the annuitant as representative payee. The
