

region to submit an application for designation. GIPSA also asked persons interested in providing official services for the area currently designated to Farwell Commodity and Grain Services, Inc. (Farwell Southwest) to submit an application for designation.

There were two applicants for the north central Texas area: Plainview and Enid; both currently designated official agencies. Plainview applied for part of the area open for designation: Cottle, Hardeman, King, Knox, Baylor, Archer, Stonewall, Haskell, Throckmorton, Fisher, Jones, Shackelford, Nolan, Taylor, Foard, and Callahan counties in Texas. Enid applied for part of the area open for designation: Clay, Wichita, and Wilbarger counties in Texas.

California Agri, a currently designated official agency, applied for designation in specific counties currently designated to Farwell Southwest. California Agri provides service in these California counties through an agreement with Farwell Southwest: Merced, Madera, Fresno, Kings, Tulare, Inyo, San Luis Obispo, Kern, Orange, Los Angeles, Ventura, Santa Barbara, and San Bernardino. Farwell Southwest applied for the remaining counties that are currently part of their designated area. GIPSA is not soliciting comments on the quality of service provided by Farwell Southwest through this notice as such comments were already requested through a previous notice published in the **Federal Register** on September 4, 2007 (72 FR 50654).

GIPSA is publishing this notice to provide interested persons the opportunity to present comments concerning the applicants. Commenters are encouraged to submit reasons and pertinent data for support or objection to the designation of the applicants. All comments must be submitted to the Compliance Division at the above address or at <http://www.regulations.gov>. Comments and other available information will be considered in making a final decision.

GIPSA will publish notice of the final decision in the **Federal Register**, and GIPSA will send the applicants written notification of the decision.
