**SUMMARY:** This announcement provides notice that the Bureau of Indian Affairs (BIA) and the Big Lagoon Rancheria (Tribe) have jointly filed an administrative appeal with the Department of Commerce asking that the Secretary override the California Coastal Commission's (Commission) objection to BIA's proposed acquisition of approximately 5 acres of land in Humboldt County, California, into trust status for the Tribe. The land is currently owned in fee by the Tribe and is located in the Big Lagoon area, approximately a quarter mile from the current boundary of the Big Lagoon Rancheria trust property, at the southwest intersection of Highway 101 and Big Lagoon Park Road, south of Big Lagoon, Humboldt County, California. The legal description of the land is parcel APN 517-281-004 in Lot 4 as shown on Tract No. 420, on file in the Office of the Humboldt County Recorder in Book 21 of Maps, pages 18 and 19.

**DATES:** Public and Federal agency comments on the appeal are due within 30 days of the publication of this Notice.

**FOR FURTHER INFORMATION CONTACT:** Odin Smith, Attorney-Advisor, NOAA Office of the General Counsel, 301-713-7392.

**SUPPLEMENTARY INFORMATION:****I. Notice of Appeal**

BIA and the Tribe have jointly filed a notice of appeal with the Secretary of Commerce pursuant to the Coastal Zone Management Act of 1972 (CZMA), 16 U.S.C. 1451 *et seq.*, and implementing regulations found at 15 CFR part 930, subpart H. BIA and the Tribe appeal an objection, filed by the Commission, to a consistency determination prepared by

BIA related to the proposed acquisition by BIA of approximately 5 acres of land in Humboldt County, California, into trust status for the Tribe for future planned tribal housing development.

The Appellants request that the Secretary override the State's objection on grounds that the project is consistent with the objectives or purposes of the CZMA. To make the determination that the proposed activity is "consistent with the objectives or purposes" of the CZMA, the Secretary must find that: (1) The proposed activity furthers the national interest as articulated in sections 302 or 303 of the CZMA, in a significant or substantial manner; (2) the adverse effects of the proposed activity do not outweigh its contribution to the national interest, when those effects are considered separately or cumulatively; and (3) no reasonable alternative is available that would permit the activity to be conducted in a manner consistent with enforceable policies of California's coastal management program. 15 CFR 930.121 (2005), *as amended*, 71 FR 787, 831 (Jan. 5, 2006).

**II. Public and Federal Agency Comments**

Written comments are invited on any of the issues the Secretary must consider in deciding this appeal. ### Full Text of Announcement

#### I. Funding Opportunity Description

*Purpose of Program:* The purpose of the ECEPD program is to enhance the school readiness of young children, particularly disadvantaged young children, and to prevent them from encountering difficulties once they enter school, by improving the knowledge and skills of early childhood educators who work in communities that have high concentrations of children living in poverty.

Projects funded under the ECEPD program provide high-quality, sustained, and intensive professional development for these early childhood educators in how to provide developmentally appropriate school-readiness services for preschool-age children that are based on the best available research on early childhood

pedagogy and on child development and learning. For these grants, the Department is increasing the emphasis on the quality of program evaluations.

The specific activities for which recipients may use grant funds are identified in the application package.

#### Priorities:

This competition includes one absolute priority, and, within that priority, one competitive preference priority and three invitational priorities as follows.

In accordance with 34 CFR 75.105(b)(2)(iv), this priority is from section 2151(e)(5)(A) of the Elementary and Secondary Education Act of 1965, as amended (ESEA), 20 U.S.C. 6651(e)(5)(A).

*Absolute Priority:* For FY 2007 this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

#### High-Need Communities.

The applicant partnership, if awarded a grant, shall use the grant funds to carry out activities that will improve the knowledge and skills of early childhood educators who are working in early childhood programs that are located in *high-need communities*.

An eligible applicant must demonstrate in its application how it meets the statutory requirement in section 2151(e)(5)(A) of the ESEA by including relevant demographic and socioeconomic data about the *high-need community* in which each program is located, as indicated in the application package. (See section 2151(e)(3)(B)(i) of the ESEA.)

*High-need community*, as defined in section 2151(e)(9)(B) of the ESEA, means—

(a) A political subdivision of a State, or a portion of a political subdivision of a State, in which at least 50 percent of the children are from low-income families; or

(b) A political subdivision of a State that is among the 10 percent of political subdivisions of the State having the greatest numbers of such children.

**Note:** The following additional terms used in or related to this absolute priority have statutory definitions that are included in the application package: *Early childhood educator* and *low-income family*.

#### Competitive Preference Priority:

Within this absolute priority, we give competitive preference to applications that address the following priority.

This priority is from the notice of final priority for Scientifically Based Evaluation Methods, published in the **Federal Register** on January 25, 2005 (70 FR 3586), available at: <http://>
