SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-55331; File No. SR-Phlx-2007-09]

Self-Regulatory Organizations; Philadelphia Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to the Definition of "Complex Trade"

February 22, 2007.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 7, 2007, the Philadelphia Stock Exchange, Inc. ("Phlx" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been substantially prepared by the Phlx. The Exchange filed the proposal pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Phlx proposes to amend Exchange Rule 1083(c) to revise the definition of "Complex Trade" as that definition applies to trades under the Plan for the Purpose of Creating and Operating an Options Intermarket Linkage (the "Linkage Plan"). The text of the proposed rule change is available at the Exchange, in the Commission's Public Reference Room, and at http://www.phlx.com/exchange/phlx_rule_fil.html.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Phlx included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Phlx has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to amend the definition of "Complex Trade" in the Exchange's rules that relate to the Linkage Plan. For Linkage purposes, Exchange Rule 1083(c) currently defines a "Complex Trade" as a trade reflecting the execution of an order in an options series in conjunction with one or more other orders in different series in the same underlying security for the equivalent number of contracts.

Under the proposal, a "Complex Trade" includes a spread, straddle, or combination order where the number of contracts on the legs of the spread, straddle, or combination order differs by any ratio equal to or greater than one-to-three and less than or equal to three-to-one. A Complex Trade is exempt from trade-through liability.⁵

The Exchange notes that its current rules provide that the components of spread, straddle, and combination orders must generally offset one another on a one-for-one basis,⁶ and that priority concerning ratio and other types of spreads currently applies only to foreign currency options.⁷ In order to make those rules and the instant proposal consistent, the Exchange has filed a separate proposed rule change to permit such order types on other than a one-for-one basis, and to establish priority for such orders in all options traded on the Exchange.⁸

This proposal would adopt the same definition of "Complex Trade" for Linkage Plan purposes as that adopted by other options exchanges.⁹

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,¹⁰ in general, and furthers the objectives of Section 6(b)(5) of the Act,¹¹ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect

investors and the public interest by establishing a uniform definition of "Complex Trade" for purposes of the Linkage Plan.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹² and Rule 19b-4(f)(6) thereunder.¹³ As required by Rule 19b-4(f)(6)(iii),¹⁴ the Phlx provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments
