#### **Mahle Industries, Inc., Including On-Site Leased Workers of Manpower, Inc., Holland, MI; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and a Negative Determination Regarding Alternative Trade Adjustment Assistance**

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and section 246 of the Trade Act of 1974 (26 U.S.C. 2813), as amended, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and a Negative Determination Regarding Eligibility to Apply for Alternative

Trade Adjustment Assistance on November 27, 2007, applicable to workers of Mahle Industries, Inc., Holland, Michigan. The notice was published in the **Federal Register** on December 11, 2007 (72 FR 70345).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of automotive engine components for turbochargers.

The review of the investigation record shows that the Department inadvertently excluded from the certification on-site leased workers from Manpower, Inc.

Accordingly, the Department is amending this certification to include on-site leased workers from Manpower, Inc. The workers of Manpower, Inc. at the Holland, Michigan site are sufficiently under the control of Mahle Industries, Inc. to be considered leased workers.

The amended notice applicable to TA-W-62,373 is hereby issued as follows:

"All workers of Mahle Industries, Inc., including on-site leased workers of Manpower, Inc., Holland, Michigan, who became totally or partially separated from employment on or after October 24, 2006, through November 27, 2009, are eligible to apply for adjustment assistance under section 223 of the Trade Act of 1974" and I further determine that all workers of Mahle Industries, Inc., including on-site leased workers of Manpower, Inc., Holland, Michigan are denied eligibility to apply for alternative trade adjustment assistance under section 246 of the Trade Act of 1974.

Signed at Washington, DC, this 14th day of March 2008.

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and section 246 of the Trade Act of 1974 (26 U.S.C. 2813), as amended, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on March 5, 2008, applicable to workers of Murata Power Solutions, formerly known as C&D Technologies, Inc., including on-site leased workers from Adecco, Volt, Employment Hotline, and Supplemental Solutions, Tucson, Arizona. The notice will be published soon in the **Federal Register**.

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of printed circuit boards.

New information shows that leased workers of Employment Strategies were employed on-site at the Tucson, Arizona location of Murata Power Solutions, formerly known as C&D Technologies, Inc. The Department has determined that these workers were sufficiently under the control of the subject firm to be considered leased workers.

Based on these findings, the Department is amending this certification to include leased workers of Employment Strategies working on-site at the Tucson, Arizona location of the subject firm.

The intent of the Department's certification is to include all workers employed at Murata Power Solutions, formerly known as C&D Technologies, Inc., Tucson, Arizona who were adversely affected by a shift in production of printed circuit boards to Mexico and China.

The amended notice applicable to TA-W-62,878 is hereby issued as follows:
