Office of Child Support Enforcement (OCSE); Privacy Act of 1974; Amended System of Records

AGENCY: Office of Child Support Enforcement, ACF, HHS.
ACTION: Notice of Amended System of Records.

SUMMARY: In accordance with the requirements of the Privacy Act of 1974 (5 U.S.C. 552a), the Office of Child Support Enforcement (OCSE) is publishing notice of amendment of its system of records, entitled "Federal

Case Registry of Child Support Orders" (FCR), 09-80-0202, last published at 69 FR 46550 on August 3, 2004. The amendment adds four routine uses; new categories of records; and clarifying information and technical amendments.

DATES: Department of Health and Human Services (HHS) invites interested parties to submit written comments on the proposed notice until May 15, 2008. As required by the Privacy Act (5 U.S.C. 552a(r)), HHS on April 8, 2008 sent a report of an Amended System of Records to the Committee on Homeland Security and Governmental Affairs of the Senate, the Committee on Oversight and Government Reform of the House of Representatives, and the Office of Information and Regulatory Affairs of the Office of Management and Budget (OMB). The amendments described in this notice are effective on May 15, 2008, unless HHS receives comments that would result in a contrary determination.

ADDRESSES: Interested parties may submit written comment on this notice by writing to Linda Deimeke, Director, Division of Federal Systems, Office of Automation and Program Operations, Office of Child Support Enforcement, Administration for Children and Families, 370 L'Enfant Promenade, SW., Washington, DC 20447. FOR FURTHER INFORMATION CONTACT: Linda Deimeke, Director, Division of Federal Systems, Office of Child Support Enforcement, 370 L'Enfant Promenade, SW., Washington, DC 20447. Telephone Number (202) 401-5439.

SUPPLEMENTARY INFORMATION: The Office of Child Support Enforcement (OCSE) is amending one of its systems of records, "Federal Case Registry of Child Support Orders" (FCR), 09-80-0202, last published at 69 FR 46550 on August 3, 2004.

First, OCSE is adding a routine use (15) to facilitate international child support enforcement in cases involving

residents of the United States and residents of foreign countries that are the subject of a declaration under section 459A of the Social Security Act, by providing to foreign reciprocating countries notification of the state of residence of individuals sought for support enforcement.

Second, OCSE is adding a routine use (16) for the disclosure to authorized OCSE users and the HHS Office of Inspector General, Office of Investigations, in accordance with established procedures for the purpose of Federal criminal nonsupport prosecution.

Third, in accordance with a memorandum issued by the Office of Management and Budget, OCSE is adding a routine use (17) for the FCR pertaining to the disclosure of information to appropriate persons and entities for purposes of response and remedial efforts in the event of a breach of data maintained in the FCR. This routine use will facilitate an effective response to a confirmed or suspected breach by allowing for disclosure to those individuals affected by the breach, as well as to others who are in a position to assist in response efforts.

Fourth, OCSE is adding a routine use (18) for disclosures to authorized agency contractors for the purpose of accomplishing an agency function.

Fifth, OCSE is adding a category of records that will be maintained within the FCR, records from locate requests, which are disseminated through the FCR. Note: OCSE assists State child support agencies and other authorized persons in locating individuals who are involved in child support cases and to locate employment and asset information maintained in OCSE's National Directory of New Hires (NDNH) database, and within other Federal agencies' records. Records from locate requests are included in this Notice as a category of records within the system of records because they are disseminated through the FCR. However, because the records are collected and maintained within the NDNH prior to disclosure through the FCR, the routine uses under which they
