SUPPLEMENTARY INFORMATION:

Background

On May 19, 2008, the Board and the Commission published in the **Federal Register** proposed rules (73 FR 28966) to implement the risk-based pricing provisions in section 311 of the FACT Act. The proposal includes model forms

that creditors can use to comply with the requirements of the proposed rules.

Need for Correction

Due to a technical error, the second page of Model form H-4 of the Board's proposal and Model form B-4 of the Commission's proposal, as published, erroneously included a row entitled "Key factors that adversely affected your credit score." As discussed in the preamble to the proposed rules, the notice provided in connection with the credit score disclosure exception for non-mortgage credit is *not* required to include the key factors that affected the credit score (73 FR 28983). This document corrects this error by amending Model forms H-4 and B-4 to delete this row.

Correction of Publication

The proposed rule, FR Doc. E8-10640, published in the **Federal Register** on May 19, 2008 (73 FR 28966) is corrected as follows:

SUPPLEMENTARY INFORMATION:

A. Background

NCUA's policy is to review regulations periodically to "update, clarify and simplify existing regulations and eliminate redundant and unnecessary provisions." Interpretive Ruling and Policy Statement (IRPS) 87-2, Developing and Reviewing Government Regulations. NCUA notifies the public about the review, which is conducted on a rolling basis so that a third of its regulations are reviewed each year. This proposed rule is the result of NCUA's 2007 review under IRPS 87-2, which covered the middle third of the regulations, including part 721. The proposed changes are intended to update and clarify the regulation.

Part 721 describes the incidental powers an FCU may exercise under the incidental powers authority in the Federal Credit Union Act (Act), which provides an FCU may "exercise such incidental powers as shall be necessary or requisite to enable it to carry on effectively the business for which it was incorporated." 12 U.S.C. 1775(17). The current part 721 resulted from a rulemaking involving an advance notice of proposed rulemaking in 1999, a proposed rule in 2000, and a final rule
