RIN 1545-BH56

**Guidance Under Section 956 for
Determining the Basis of Property
Acquired in Certain Nonrecognition
Transactions**

AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Notice of proposed rulemaking by cross-reference to temporary regulations.

SUMMARY: In the Rules and Regulations section of this issue of the **Federal Register**, the IRS and the Treasury Department are issuing temporary regulations under section 956 of the Internal Revenue Code (Code) relating to the determination of basis in property acquired by a controlled foreign corporation in certain nonrecognition transactions that are intended to avoid United States income tax. Those regulations affect United States shareholders of a controlled foreign corporation that acquires United States property in certain nonrecognition transactions. The text of those regulations also serves as the text of these proposed regulations.

DATES: Written or electronic comments and requests for a public hearing must be received by September 22, 2008.

ADDRESSES: Send submissions to: CC:PA:LPD:PR (REG-102122-08), room 5203, Internal Revenue Service, PO Box 7604, Ben Franklin Station, Washington, DC 20044. Submissions may be hand delivered between the hours of 8 a.m. and 4 p.m. to CC:PA:LPD:PR (REG-102122-08), Courier's Desk, Internal Revenue Service, 1111 Constitution Avenue, NW., Washington, DC, or sent electronically, via the Federal eRulemaking Portal at <http://www.regulations.gov> (IRS REG-102122-08).

SUPPLEMENTARY INFORMATION:

**Background and Explanation of
Provisions**

Temporary regulations in the Rules and Regulations section of this issue of

the **Federal Register** provide guidance regarding the determination of basis for property acquired in certain nonrecognition transactions that repatriate earnings and profits of a controlled foreign corporation but are structured with the intent to avoid an income inclusion by the United States shareholders of the controlled foreign corporation under section 951(a)(1)(B). This avoidance is achieved by the use of the basis rules under section 362(a) for the acquisition by the controlled foreign corporation of certain stock or obligations that constitute United States property within the meaning of section 956(c).

The text of those regulations also serves as the text of these proposed regulations. The preamble to the temporary regulations explains the temporary regulations and these proposed regulations.

Special Analyses

It has been determined that this notice of proposed rulemaking is not a significant regulatory action as defined in Executive Order 12866. Therefore, a regulatory assessment is not required. Pursuant to the Regulatory Flexibility Act (RFA) (5 U.S.C. chapter 6), it is hereby certified that these regulations will not have a significant economic impact on a substantial number of small entities. This certification is based on the fact that these regulations will affect primarily large multi-national United States corporations that own a significant interest in foreign corporations that acquire certain United States property in a transaction subject to the regulations. Accordingly, a regulatory flexibility analysis is not required. Pursuant to section 7805(f) of the Code, this regulation has been submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small entities.

**Comments and Requests for a Public
Hearing**

Before these proposed regulations are adopted as final regulations, consideration will be given to any written (a signed original and eight (8) copies) or electronic comments that are submitted timely to the IRS. The IRS and the Treasury Department continue to consider, outside the context of section 956, the appropriate basis of stock or obligations issued by a transferor in the hands of the transferee as determined under section 362. The IRS and the Treasury Department are also considering whether any additional rules are necessary or appropriate to coordinate the section 956 basis

determinations under these regulations with basis determinations under other provisions of the Code or regulations. Comments are requested in this regard. All comments will be available for public inspection and copying. A public hearing may be scheduled if requested by any person who timely submits comments. If a public hearing is scheduled, notice of the date, time and place for the hearing will be published in the **Federal Register**.

Drafting Information

The principal author of these regulations is John H. Seibert, Office of Associate Chief Counsel (International). However, other personnel from the IRS and the Treasury Department participated in their development.

I. Background on the Utah Program

Section 503(a) of the Act permits a State to assume primacy for the regulation of surface coal mining and reclamation operations on non-Federal and non-Indian lands within its borders by demonstrating that its State program includes, among other things, “a State law which provides for the regulation of
