

June 30, 2008, in SR-ISE-2008-55.⁶ In addition, Nasdaq is adding to the list of products that ISE treats as "premium" options symbol FXY, which had been inadvertently omitted from Nasdaq's fee schedule. Finally, within Nasdaq's fee schedule for executions occurring at ISE, Nasdaq is proposing to classify options class FTZ as a premium product with a fee of \$.24, \$.34, and \$.61 for customers, firms, and market makers. Options class FTZ had previously been listed in a category by itself with executions fees of \$.06, \$.34, and \$.56 for customers, firms, and market makers. Nasdaq expects that ISE will charge Nasdaq members \$.24, \$.34, and \$.61, respectively, as set forth in Nasdaq's proposed rule language.⁷ All fees for markets other than ISE remain unchanged.

2. Statutory Basis

Nasdaq believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁸ in general, and with Section 6(b)(4) of the Act,⁹ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system which Nasdaq operates or controls.

Nasdaq is one of seven options markets in the national market system for standardized options. Joining Nasdaq and electing to trade options is entirely voluntary. Under these circumstances, Nasdaq's fees must be competitive and low in order for Nasdaq to attract order flow, execute orders, and grow as a market. The various exchanges have filed these fees with the Commission and it is reasonable for Nasdaq to pass those fees through to its members. As such, Nasdaq believes that its fees are fair and reasonable and consistent with the Exchange Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

Nasdaq does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. To the contrary, Nasdaq has designed its fees to compete effectively for the execution and routing of options

contracts and to reduce the overall cost to investors of options trading.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act¹⁰ and subparagraph (f)(2) of Rule 19b-4 thereunder,¹¹ because it establishes or changes a due, fee, or other charge imposed on members by Nasdaq. Accordingly, the proposal is effective upon filing with the Commission. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

To help the Commission process and review your comments more efficiently, please use only one method. amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room, 100 F Street, NE., Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of such filing also will be available for inspection and copying at the principal office of Nasdaq.
