However, subsequent correspondence from WCL dated June 23, 2008, indicates that WCL has withdrawn its support for the City's waiver petition, based upon the failure of the City and WCL to come to agreement on the terms of the public safety enhancements for the affected highway-rail grade crossings.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. In particular, the City is invited to provide additional written information about the steps that it has taken to reach agreement with WCL on the City's request to extend the deadlines contained in 49 CFR 222.41(c)(2), as well as a written explanation as to why application of the joint submission requirement contained in 49 CFR 222.15(a) would not be likely to contribute significantly to public safety.

FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested party desires an opportunity for oral comment, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.
