

able to provide Routing Services through Rule 2.11. Thus, an alternative router would be available as necessary, and on an all-or-none basis, in the course of transitioning the Routing Services to NSX Securities under Rule 2.11. This rule change proposal does not change Rule 2.12's current expiration of September 30, 2008.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6(b) of the Act,⁷ in general, and Section 6(b)(5) of the Act,⁸ in particular, which requires, among other things, that the rules of an exchange be designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change will take effect upon filing pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and subparagraph (f)(5) of Rule 19b-4¹⁰ thereunder, because the proposal effects a change in an existing order-entry system or trading system of a self-regulatory organization that: (i) Does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) does not have the effect of limiting the access to or availability of the system. This proposal does not raise these concerns as it primarily pertains to the operative date of a rule that has already been approved by the Commission through a rule change filed under Section 19(b)(2) of the Act. At any time within sixty (60) days of the filing of such proposed rule

change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
