

RETENTION AND DISPOSAL:

The National Archives Records Administration has not yet approved a retention schedule for this system of records. Because a history of Federal law enforcement interactions with persons and organizations is essential to detecting criminal and terrorist patterns of behavior and locating leads in current investigations, ICE has proposed to retain records in ICEPIC for ten (10) years from ICE's last use of the individual's data, and then archive the information for an additional five (5) years. After the five (5) year period, information will be destroyed unless it has become relevant to a legal action, at which point the retention schedule would reset.

RECORD ACCESS PROCEDURES:
