Food and Nutrition Service

Title: Uniform Grant Application for Non-Entitlement Discretionary Grants.
OMB Control Number: 0584-0512.

Summary of Collection: The Food and Nutrition Service (FNS) has established a process for a uniform grant application usable for all of the non-entitlement discretionary grant programs to collect the information from grant applicants needed to evaluate and rank applicants and protect the integrity of the grantee selection process. All FNS discretionary grant programs will be eligible, but not required to use the uniform grant application package. The authorities for these grants vary. The term "grant" in this submission refers only to non-entitlement discretionary grants or cooperative agreements. Discretionary grant announcements include a number of information collections, including a "project description" (program narrative), budget information, assurances, and certifications. An optional faith-based survey form may also be included for the purpose of helping the Federal government determine the organizational nature of the applicant population, specifically when dealing with nonprofit organizations. The requirements for the program narrative statement are based on the requirements for program narrative statements described in section 1.c(5) of OMB Circular A-102 and OMB A-110 (as implemented at USDA 7 CFR Part 3015, 3016 and 3019); and will apply to all types of grantees—State and local governments, non-profit organizations, institutions of higher education, hospitals, and for-profit organizations.

Need and Use of the Information: As the primary users of the information collected, FNS will review, evaluate and approve grant and cooperative agreement applications. The uniform

grant application package will include general information and instructions; a checklist; a requirements for the program narrative statement describing how the grant objectives will be reached as well as a description of the budget; the Standard Form 424 series that requests basic information, budget information and assurances regarding Nonprocurement Debarment and Suspension, the Drug-Free Workplace rule, general assurances, a lobbying certification, and an optional survey form to ensure equal opportunity for applicants. Without this information, FNS will not have adequate data to select appropriate grantees or evaluate which grants should be continued.

Number of Respondents: 572.

Frequency of Responses: Reporting: Other (one-time).

OMB Control Number: 0584-0532.

Summary of Collection: The Office of Management and Budget Circular No. A-130, Appendix III, Security of Federal Automated Information Resources, dated February 8, 1996, established a minimum set of controls to be included in Federal automated information security programs. Establishing personal controls to screen users to allow access to an authorized system is directed in this appendix. The Food and Nutrition Service (FNS) User Access Request Form, FNS-674, is designed for this purpose and will be used in all situations where access to an FNS computer system is required, where current access is required to be modified, or where access is no longer required and must be deleted. Users who access FNS systems are: State agencies, other Federal agencies, FNS Regional offices, FNS Field offices, FNS Compliance Offices, staff contractors, and FNS headquarters staff.

Need and Use of the Information: The State Coordinator is responsible for ensuring that State users and entities comply with the FNS Information Systems Security Guidelines and the Procedures Handbook 702 developed for State systems for their use in maintaining proper controls over FNS security features used by State clients. The information to be collected is: Name, e-Authentication ID, telephone number, home zip code, email address, contract expiration date, temporary employee expiration date, office address, State/locality codes, system

Foreign-Trade Zones Board

[Docket 60-2008]

Foreign-Trade Zone 267—Fargo, ND Request for Manufacturing Authority CNH America, LLC (Construction and Agricultural Equipment)

An application has been submitted to the Foreign-Trade Zones Board (the

Board) by the Fargo Municipal Airport Authority, grantee of FTZ 267, requesting authority on behalf of CNH America, LLC (CNH) to perform construction and agricultural equipment manufacturing under FTZ procedures within FTZ 267. The application was filed on October 23, 2008.

The CNH facilities (about 800 employees) consist of a manufacturing plant located at 3401 1st Avenue N. and a warehouse located at 3000 7th Avenue N., within the Midtown Industrial Complex (FTZ 267—Site 2). CNH could produce up to 4,000 construction wheel loaders (HTSUS 8429.51) and 7,200 agricultural tractors (8701.90) annually. Foreign-sourced components (representing about 30% of material value) that would be used in production include: Vehicle glass (HTSUS 7007.11), motor controls (8537.10), switches (8536.50), and transmissions (8483.40).

FTZ procedures would exempt CNH from customs duty payments on foreign components used in export production (estimated to be some 30 percent of the plant's shipments). On its domestic shipments, CNH could defer duty until the products are entered for consumption, and choose the duty-free rate that applies to the finished product for the foreign components used in production (duty rates ranging from 2.5% to 5.5%). The company may also realize certain logistical/procedural savings as well as savings on materials that become scrap/waste during manufacturing.

In accordance with the Board's regulations, Diane Finver of the FTZ staff is designated examiner to investigate the application and report to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is January 20, 2009. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to February 2, 2009.

A copy of the application and accompanying exhibits will be available for public inspection at each of the following locations: U.S. Department of Commerce Export Assistance Center, 51 Broadway, Suite 505, Fargo, North Dakota 58102; and, Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue, NW., Washington, DC 20230-0002.

For further information, contact Diane Finver at (202) 482-1367.

Dated: October 23, 2008.

Executive Secretary.

In a charging letter filed on December 18, 2007, the Bureau of Industry and Security ("BIS") alleged that Respondent Michele Geslin committed one violation of the Export Administration Regulations (currently codified at 15 CFR Parts 730-774 (2008) ("Regulations")), issued pursuant to the Export Administration Act of 1979, as amended (50 U.S.C. app. 2401-2420 (2000)) (the "Act"),¹ when she aided and abetted the unlicensed export of a vessel to Cuba during a regatta she had helped to organize. Specifically, the charge against Respondent Michele Geslin is as follows:
