VIII. Other Information

A. Dun and Bradstreet Data Universal Numbering System (DUNS)

A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and keeping track of over 70 million businesses worldwide. The Office of Management and Budget published a notice of final policy issuance in the Federal Register June 27, 2003 (68 FR 38402) that requires a DUNS number in every application (i.e., hard copy and electronic) for a grant or cooperative agreement on or after October 1, 2003. Therefore, potential applicants should verify that they have a DUNS number or take the steps needed to obtain one. For information about how to obtain a DUNS number, go to <http://www.grants.gov>. Please note that the registration may take up to 14 business days to complete.

B. Required Registration With the Central Contract Registry (CCR) for Submission of Proposals

The Central Contract Registry (CCR) is a database that serves as the primary Government repository for contractor information required for the conduct of business with the Government. This database will also be used as a central location for maintaining organizational information for organizations seeking and receiving grants from the Government. Such organizations must

register in the CCR prior to the submission of applications. A DUNS number is needed for CCR registration. For information about how to register in the CCR, visit "Get Started" at the Web site, <http://www.grants.gov>. Allow a minimum of 5 business days to complete the CCR registration.

C. Related Programs

Funding availability for this program may be announced at approximately the same time as funding availability for similar but separate programs—CFDA No. 10.455 (Community Outreach and Assistance Partnerships), and CFDA No. 10.457 (Commodity Partnerships For Risk Management Education). These programs have some similarities, but also key differences. The differences stem from important features of each program's authorizing legislation and different RMA objectives. Prospective applicants should carefully examine and compare the notices for each program.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Bureau of Economic Analysis (BEA) is responsible for the compilation of the U.S. international transactions accounts (ITAs), which it publishes quarterly in news releases, on its Web site, and in its monthly journal, the *Survey of Current Business*. These accounts provide a statistical summary of all U.S. international transactions and, as such, are one of the major statistical products of BEA. They are used extensively by both government and private organizations for national and international economic policy formulation and for analytical purposes. The information collected in these surveys is used to develop the "transportation" portion of the ITAs. Potential respondents are U.S. ocean and air carriers engaged in international transportation of goods and/or passengers. The information is collected on a quarterly basis from U.S. ocean and air carriers whose total annual covered revenues or total annual covered expenses are, or are expected to be, \$500,000 or more. U.S. ocean and air carriers whose total annual covered revenues and total annual covered expenses are, or are expected to be, each below \$500,000 are exempt from reporting.

Without this information, an integral component of the ITAs would be omitted. No other government agency collects comprehensive quarterly data on U.S. ocean carriers' freight revenues and foreign expenses or U.S. airline operators' foreign revenues and expenses. There are no changes proposed to the form or instructions.

II. Method of Collection

The survey forms will be sent to respondents each quarter via U.S. mail; the surveys are also available from our Web site. Respondents return the surveys one of four ways: U.S. mail, electronically using BEA's electronic collection system (eFile), fax or email. Responses will be due within 50 days after the close of each calendar quarter.

Cut-to-Length Carbon Steel Plate, from the People's Republic of China: Notice of Rescission of Antidumping Duty New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce

SUMMARY: In response to a request from Hunan Valin Xiangtan Iron & Steel Co. Ltd. ("Valin Xiangtan"), on January 17, 2008, the Department of Commerce ("Department") published in the *Federal Register* a notice announcing the initiation of a new shipper review ("NSR") of the antidumping duty order on certain cut-to-length carbon steel plate ("CTL plate") from the People's Republic of China ("PRC") covering the

period November 1, 2006, through October 31, 2007. *See Certain Cut-to-Length Carbon Steel Plate From the People's Republic of China; Initiation of New Shipper Review*, 73 FR 3236 (January 17, 2008). On April 18, 2008, the Department explained that it was expanding the period of review ("POR") until November 30, 2007, pursuant to 19 CFR 351.214(f)(2)(ii) in order to cover Valin Xiangtan's entry of the subject merchandise.¹ Because Valin Xiangtan's sale of subject merchandise is covered by both the NSR and the November 1, 2007 through October 31, 2008 administrative review of the order on CTL plate from the PRC, pursuant to section 351.214(j)(1) of the Department's regulations, the Department is rescinding this new shipper review.

EFFECTIVE DATE: April 8, 2009.

FOR FURTHER INFORMATION CONTACT:

Demitri Kalogeropoulos or Trisha Tran, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-2623 and (202) 482-4852, respectively.

SUPPLEMENTARY INFORMATION:

Background

On January 17, 2008, the Department initiated the new shipper review of CTL plate for Valin Xiangtan. *See Certain Cut-to-Length Carbon Steel Plate From the People's Republic of China; Initiation of New Shipper Review*, 73 FR 3236 (January 17, 2008). On December 24, 2008, the Department initiated an administrative review of the antidumping duty order on CTL plate with respect to Valin Xiangtan for the period November 1, 2007, through October 31, 2008. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 73 FR 79055 (December 24, 2008).

Rescission of New Shipper Review

Section 351.214(j)(1) of the Department's regulations states that "if a review (or a request for review) under § 351.213 (administrative review), § 351.214 (new shipper review), § 351.215 (expedited antidumping review), or § 351.216 (changed circumstances review) covers merchandise of an exporter or producer subject to a review (or request for a review) under this section, the

¹ See Memorandum to Wendy J. Frankel, Office Director, AD/CVD Operations, Office 8, Import Administration through Blanche Ziv, Program Manager, from Demetri Kalogeropoulos, International Trade Analyst, regarding "Expansion of the Period of Review," dated April 18, 2008.

Secretary may, after consulting with the exporter or producer: (1) rescind, in whole or part, a review in progress under this subpart...". In the instant case, the entry made by Valin Xiangtan covered by the new shipper review is also covered by the period of review of the administrative review that the Department initiated on December 24, 2008. *See* 73 FR 79055. Thus, because the Department is conducting an administrative review and a new shipper review that covers the same merchandise, after consultation with the exporter,² the Department is rescinding the new shipper review for Valin Xiangtan. We will review Valin Xiangtan's sale covered by the NSR during the course of the administrative review.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is published in accordance with section 777(i) of the Act and 19 CFR 351.214(f)(3).

Dated: April 1, 2009.

Gary Taverman,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
