

the sampling program, detailed information concerning the operation of the DWTP at the time of sampling is required. This information can only be gathered through a questionnaire that is completed concurrent to the collection event. The questionnaire will collect information on the following:

- The population served by the DWTP;
- The source water, potential sources of pollution and current hydraulic conditions;
- Detailed treatment steps used by the DWTP, including parameters such as pumpage at sampling, disinfectants used, and distribution system information;
- Detailed water quality parameters at the time of sampling.

The EPA will distribute the questionnaire to the DWTPs at the time of sampling along with the sampling supplies.

Burden Statement: The annual public reporting and recordkeeping burden for this collection of information is estimated to average 10 hours per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements which have subsequently changed; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

The ICR provides a detailed explanation of the Agency's estimate, which is only briefly summarized here:

Estimated Total Number of Potential Respondents: 50.

Frequency of Response: One time.

Estimated Total Average Number of Responses for Each Respondent: 10.

Estimated Total Annual Burden Hours: 500.

Estimated Total Annual Costs: \$14,992.50. This cost includes \$250 for operation and maintenance costs incurred by the respondents for photocopying and postage. No capital costs are included.

What Is the Next Step in the Process for This ICR?

EPA will consider the comments received and amend the ICR as appropriate. The final ICR package will then be submitted to OMB for review and approval pursuant to 5 CFR 1320.12. At that time, EPA will issue another **Federal Register** notice pursuant to 5 CFR 1320.5(a)(1)(iv) to announce the submission of the ICR to OMB and the opportunity to submit additional comments to OMB. If you have any questions about this ICR or the approval process, please contact the technical person listed under **FOR FURTHER INFORMATION CONTACT**.
