Agency Recordkeeping/Reporting Requirements Under Emergency Review by the Office of Management and Budget (OMB)

Title: Tribal TANF (Temporary Assistance for Needy Families) Financial Report, Form ACF-196T.

OMB No.: 0970-0345.

Description: Tribes use Form ACF-196T to report expenditures for the Tribal TANF grant. Authority to collect and report this information is found in the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA), Public Law 104-193. Tribal entities with approved Tribal plans for implementation of the TANF program are required by Section 412(h) of the Social Security Act to report financial data. Form ACF-196T provides for the collection of data regarding Federal expenditures. Failure to collect this data would seriously compromise the Administration for Children and Families' (ACF) ability to monitor expenditures. This information is also used to estimate outlays and may be used to prepare ACF budget submissions to Congress. Financial management of the program would be seriously compromised if the expenditure data were not collected.

45 CFR Part 286 Subpart E requires the strictest controls on funding requirements, which necessitates review of documentation in support of Tribal expenditures for reimbursement. Comments received from previous efforts to implement a similar Tribal TANF report Form ACF-196T were used to guide ACF in the development of the product presented with this submittal.

The American Recovery and Reinvestment Act (ARRA) of 2009, Public Law 111-5 has authorized emergency TANF funds to be awarded to States, Tribes, and Territories who meet certain eligibility requirements written in the legislation. TANF Policy Announcement TANF-ACF-PA-2009-O1 provides additional guidance on eligibility requirements. Recipients of ARRA funds are to report spending and performance data to Federal agencies quarterly for posting on the public Web site, "Recovery.gov". Federal agencies are required to collect ARRA expenditures data and the data must be clearly distinguishable from the regular TANF (non-ARRA) funds. Therefore, in order to meet this data collection requirement, the ACF-196T has been modified with the addition of two line items and a column to report ARRA expenditures. The collection and posting of this data is to allow the public to see where their tax dollars are spent.

Respondents: All Tribal TANF Agencies.

Proposed Information Collection Activity; Comment Request

Proposed Projects

Title: Title IV–E Programs Quarterly Financial Report.

OMB No.: 0970–0205.

Description: Historically, State agencies have administered programs under title IV–E of the Social Security Act for the Foster Care and Adoption Assistance Programs. The Administration for Children and Families provides Federal funding at the rate of 50 percent for most of the

administrative costs of these programs and at other rates for other specific categories of costs as detailed in Federal statute and regulations.

The enactment of Public Law 110–351, the “Fostering Connections to Success and Increasing Adoptions Act of 2008” introduced two major changes to the title IV–E programs: (1) The inception of the Guardianship Assistance Program for all grantees, effective October 1, 2008 and, (2) the availability of these programs to Tribes and Tribal Organizations, effective October 1, 2009.

We anticipate that this form will be revised and redesigned to be applicable to both State and Tribal grantees.

This form is submitted quarterly by each State or Tribe to estimate its funding needs for the upcoming fiscal quarter and to report expenditures for the fiscal quarter just ended. The information collected in this report is used by this agency to calculate quarterly Federal grant awards and to enable oversight of the financial management of the programs.

Respondents: State agencies (including the District of Columbia and Puerto Rico) and Tribal agencies (starting in FY 2010) administering the Foster Care, Adoption Assistance and Guardianship Assistance programs under Title IV–E of the Social Security Act.
