

consequences of the proposed action, announces its decision to provide unimpeded access to the Laurelwood housing area located at Naval Weapons Station (NWS) Earle, Colts Neck, New Jersey, as required by its agreement with the developer of the Laurelwood housing area. Unimpeded access will be accomplished through implementing Alternative Alignment 4, described in the Final Environmental Impact Statement (FEIS) as the preferred alternative, which will access NWS Earle via a new entrance south of the main gate along New Jersey Route 34 and terminate at the Laurelwood housing area. This will require the issuance of an easement to the Laurelwood developer over the path of the access road, construction of the access road, construction of a bridge over Esperance Road, and installation of perimeter fencing.

**SUPPLEMENTARY INFORMATION:** The Record of Decision (ROD) has been distributed to all persons who requested a copy of the FEIS. The complete text of the ROD is available on the public Web site: <http://www.laurelwoodeis.com> along with the complete FEIS and accompanying documentation. Single copies of the ROD will be made available upon request by contacting Naval Facilities Engineering Command Atlantic, Attn: Laurelwood Housing Area EIS Project Manager, Code EV-21 KGB, 6506 Hampton Boulevard, Lafayette River Annex Building A, Norfolk, Virginia 23508.

## DEPARTMENT OF EDUCATION

### **Federal Pell Grant, Academic Competitiveness Grant, National Science and Mathematics Access To Retain Talent Grant, Federal Perkins Loan, Federal Work-Study, Federal Supplemental Educational Opportunity Grant, Federal Family Education Loan, and William D. Ford Federal Direct Loan Programs**

**AGENCY:** Federal Student Aid, U.S. Department of Education.

**ACTION:** Notice of revision of the Federal Need Analysis Methodology for the 2010-2011 award year.

**SUMMARY:** The Secretary announces the annual updates to the tables that will be used in the statutory "Federal Need Analysis Methodology" to determine a student's expected family contribution (EFC) for award year 2010-2011 for the student financial aid programs authorized under title IV of the Higher Education Act of 1965, as amended (HEA). An EFC is the amount a student and his or her family may reasonably be expected to contribute toward the student's postsecondary educational costs for purposes of determining financial aid eligibility. The Title IV programs include the Federal Pell Grant, Academic Competitiveness Grant, National Science and Mathematics Access to Retain Talent Grant, Federal Perkins Loan, Federal Work-Study, Federal Supplemental Educational Opportunity Grant, Federal Family Education Loan, and William D. Ford Federal Direct Loan Programs (Title IV, HEA Programs).

Individuals with disabilities can obtain this document in an accessible format (e.g., braille, large print, audiotape or compact disk) on request to the contact person listed under **FOR FURTHER INFORMATION CONTACT**.

**SUPPLEMENTARY INFORMATION:** Part F of title IV of the HEA specifies the criteria, data elements, calculations, and tables used in the Federal Need Analysis Methodology EFC calculations.

Section 478 of part F of title IV of the HEA requires the Secretary to adjust four of the tables—the Income Protection Allowance, the Adjusted Net Worth of a Business or Farm, the Education Savings and Asset Protection Allowance, and the Assessment Schedules and Rates—each award year for general price inflation. The changes are based, in general, upon increases in the Consumer Price Index.

For award year 2010-2011 the Secretary is charged with updating the income protection allowance for parents of dependent students, adjusted net worth of a business or farm, and the assessment schedules and rates to account for inflation that took place between December 2008 and December

2009. However, because the Secretary must publish these tables before December 2009, the increases in the tables must be based upon a percentage equal to the estimated percentage increase in the Consumer Price Index for All Urban Consumers for 2009. The Secretary estimates that the increase in the Consumer Price Index for All Urban Consumers (CPI-U) for the period December 2008 through December 2009 will be 4.1 percent. Additionally, section 601 of the College Cost Reduction and Access Act of 2007 (CCRAA, Pub. L. 110-84) amended sections 475 through 478 of the HEA by updating the procedures for determining the income protection allowance for dependent students as well as the income protection allowance tables for both independent students with dependents other than a spouse and independent students without dependents other than a spouse. As amended by the CCRAA, the HEA established new 2010-2011 award year values for these income protection allowances. The updated tables are in sections 1, 2, and 4 of this notice.

The Secretary must also revise, for each award year, the education savings and asset protection allowances as provided for in section 478(d) of the HEA. The Education Savings and Asset Protection Allowance table for award year 2010-2011 has been updated in section 3 of this notice. Section 478(h) of the HEA also requires the Secretary to increase the amount specified for the Employment Expense Allowance, adjusted for inflation. This calculation is based upon increases in the Bureau of Labor Statistics budget of the marginal costs for a two-worker family compared to a one-worker family for food away from home, apparel, transportation, and household furnishings and operations. The Employment Expense Allowance table for award year 2010-2011 has been updated in section 5 of this notice.

The HEA provides for the following annual updates:

1. *Income Protection Allowance.* This allowance is the amount of living expenses associated with the maintenance of an individual or family that may be offset against the family's income. It varies by family size. The income protection allowance for the dependent student is \$4,500. The income protection allowances for parents of dependent students for award year 2010-2011 are:

## PARENTS OF DEPENDENT STUDENTS

[Number in college]

Family Size	1	2	3	4	5
2 .....	\$16,230	\$13,450	.....	.....	.....
3 .....	20,210	17,450	\$14,670	.....	.....
4 .....	24,970	22,190	19,430	\$16,650	.....
5 .....	29,460	26,680	23,920	21,140	\$18,380
6 .....	34,460	31,680	28,920	26,140	23,380

For each additional family member add \$3,890.

For each additional college student subtract \$2,760.

The income protection allowances (IPA) for independent students with

dependents other than a spouse for award year 2010–11 are:

## INDEPENDENT STUDENTS WITH DEPENDENTS OTHER THAN A SPOUSE

[Number in college]

Family size	1	2	3	4	5
2 .....	\$19,690	\$16,330	.....	.....	.....
3 .....	24,510	21,160	\$17,800	.....	.....
4 .....	30,280	26,910	23,560	\$20,190	.....
5 .....	35,730	32,350	29,000	25,640	\$22,290
6 .....	41,780	38,410	35,080	31,690	28,350

For each additional family member add \$4,710.

For each additional college student subtract \$3,350.

The income protection allowances for single independent students and independent students without dependents other than a spouse for award year 2010–11 are:

Marital status	Number in college	IPA
Single .....	1	\$7,780
Married .....	2	7,780
Married .....	1	12,460

2. *Adjusted Net Worth (NW) of a Business or Farm.* A portion of the full net value of a business or farm is excluded from the calculation of an expected contribution because—(1) The

income produced from these assets is already assessed in another part of the formula; and (2) the formula protects a portion of the value of the assets. The portion of these assets included in the contribution calculation is computed according to the following schedule. This schedule is used for parents of dependent students, independent students without dependents other than a spouse, and independent students with dependents other than a spouse.

If the net worth of a business or farm is—	Then the adjusted net worth is—
Less than \$1 .....	\$0.
\$1 to \$115,000 .....	\$0 + 40% of NW.
\$115,001 to \$345,000 .....	\$46,000 + 50% of NW over \$115,000.
\$345,001 to \$580,000 .....	\$161,000 + 60% of NW over \$345,000.
\$580,001 or more .....	\$302,000 + 100% of NW over \$580,000.

3. *Education Savings and Asset Protection Allowance.* This allowance protects a portion of net worth (assets less debts) from being considered available for postsecondary educational expenses. There are three asset protection allowance tables—one for parents of dependent students, one for independent students without dependents other than a spouse, and one for independent students with dependents other than a spouse.

\$29,301 or more .....	\$7,926 + 47% of AAI over \$29,300.

5. *Employment Expense Allowance.* This allowance for employment-related expenses, which is used for the parents of dependent students and for married independent students, recognizes additional expenses incurred by working spouses and single-parent households. The allowance is based upon the marginal differences in costs for a two-worker family compared to a one-worker family for food away from home, apparel, transportation, and household furnishings and operations.

The employment expense allowance for parents of dependent students, married independent students without dependents other than a spouse, and independent students with dependents other than a spouse is the lesser of \$3,500 or 35 percent of earned income.

6. *Allowance for State and Other Taxes.* The allowance for State and other taxes protects a portion of the parents' and students' income from being considered available for postsecondary educational expenses.

There are four categories for State and other taxes, one each for parents of dependent students, independent students with dependents other than a spouse, dependent students, and independent students without dependents other than a spouse. Section 478(g) of the HEA directs the Secretary to update the tables for State and other taxes after reviewing the Statistics of Income file data maintained by the Internal Revenue Service.
