ACTION: Notice.

SUMMARY: The Board is inviting the public to nominate qualified individuals for appointment to its Consumer Advisory Council, whose membership represents interests of consumers, communities, and the financial services industry. New members will be selected for three-year terms that begin in January 2010. The Board expects to announce the selection of new members in early January.

DATES: Nominations must be received by August 28, 2009. Nominations not received by August 28 may not be considered.

ADDRESSES: Nominations must include a résumé for each nominee. Electronic nominations are preferred. The appropriate form can be accessed at: <https://www.federalreserve.gov/secure/forms/cacnominationform.cfm>.

If electronic submission is not feasible, the nominations can be mailed (not sent by facsimile) to Joseph Firschein, Assistant Director and Community Affairs Officer, Division of Consumer and Community Affairs, Board of Governors of the Federal Reserve System, Washington, DC 20551.

FOR FURTHER INFORMATION CONTACT: Jennifer Kerslake, Secretary of the Council, Division of Consumer and Community Affairs, (202) 452-6470, Board of Governors of the Federal Reserve System, Washington, DC 20551.

SUPPLEMENTARY INFORMATION: The Consumer Advisory Council was established in 1976 at the direction of the Congress to advise the Federal Reserve Board on the exercise of its duties under the Consumer Credit Protection Act and on other consumer-related matters. The Council by law represents the interests both of consumers and of the financial services industry (15 U.S.C. 1691(b)). Under the Rules of Organization and Procedure of the Consumer Advisory Council (12 CFR 267.3), members serve three-year terms that are staggered to provide the Council with continuity.

New members will be selected for terms beginning January 1, 2010, to replace members whose terms expire in December 2009. The Board expects to announce its appointment of new members in early January.

Nomination letters should include:

- A résumé for each nominee;
- nominee's full name, organizational affiliation, title, address, phone and fax numbers, and email address;
- nominee organization's name, brief description of organization, address, and phone and fax numbers;
- information about past and present positions held by the nominee, dates, and description of responsibilities;
- a description of the nominee's special knowledge, interests, or experience related to community development and reinvestment, consumer protection regulations, consumer credit, or other consumer financial services issues;
- positions held in community organizations and on councils and boards; and
- nominator's full name, organizational affiliation, title, address, phone and fax numbers, and e-mail address.

Individuals may nominate themselves.

The Board is interested in candidates who have familiarity with consumer financial services, community development and reinvestment, and consumer protection regulations, and who are willing to express their views. Candidates do not have to be experts on all levels of consumer financial services or community reinvestment, but they should possess some basic knowledge of the issues. They must be able and willing to make the necessary time commitment to participate in conference calls, and prepare for and attend meetings three times a year (usually for two days, including committee meetings). The meetings are held at the Board's offices in Washington, DC. The Board pays travel expenses, lodging, and a nominal honorarium.

In making the appointments, the Board will seek to complement the background of continuing Council members in terms of affiliation and geographic representation and to ensure the representation of women and minority groups. The Board may consider prior years' nominees and does not limit consideration to individuals nominated by the public when making its selection.

Agency Information Collection Activities: Proposed Collection; Comment Request

In compliance with Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 concerning opportunity for public comment on proposed collections of information, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish periodic summaries of proposed projects. To request more information on the proposed projects or to obtain a copy of the information collection plans, call the SAMHSA Reports Clearance Officer on (240) 276-1243.

Comments are invited on: (a) Whether the proposed collections of information are necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate

of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Project: Opioid Drugs in Maintenance and Detoxification Treatment of Opioid Dependence—42 CFR Part 8 (OMB No. 0930-0206) and Opioid Treatment Programs (OTPs) Mortality Reporting Form—Revision

42 CFR part 8 establishes a certification program managed by SAMHSA's Center for Substance Abuse Treatment (CSAT). The regulation requires that Opioid Treatment Programs (OTPs) be certified. "Certification" is the process by which SAMHSA determines that an OTP is qualified to provide opioid treatment under the Federal opioid treatment standards established by the Secretary of Health and Human Services. To become certified, an OTP must be accredited by a SAMHSA-approved accreditation body. The regulation also provides standards for such services as individualized treatment planning, increased medical supervision, and assessment of patient outcomes. This submission seeks continued approval of the information collection requirements in the regulation and of the forms used in implementing the regulation.

SAMHSA currently has approval for the Application for Certification to Use Opioid Drugs in a Treatment Program Under 42 CFR 8.11 (Form SMA-162); the Application for Approval as Accreditation Body Under 42 CFR 8.3(b) (Form SMA-163); and the Exception Request and Record of Justification Under 42 CFR 8.12 (Form SMA-168), which may be used on a voluntary basis by physicians when there is a patient care situation in which the physician must make a treatment decision that differs from the treatment regimen required by the regulation. Form SMA-168 is a simplified, standardized form to facilitate the documentation, request, and approval process for exceptions.

SAMHSA developed an OTP mortality report form to be utilized by OTPs in response to the increasing methadone associated mortality around the country. This form also assists SAMHSA with regulatory oversight of methadone for use in opioid addiction treatment because it is not clear whether and to what extent the increase in methadone-associated deaths may be related to treatment in OTPs. A system within SAMHSA to gather information
