The Computer Matching and Privacy Protection Act of 1988 (Pub. (1) Negotiate written agreements with the other agency or agencies participating in the matching programs;

(2) Obtain the approval of the matching agreement by the Data Integrity Boards (DIB) of the participating Federal agencies;

(3) Publish notice of the computer matching program in the **Federal Register**;

(4) Furnish detailed reports about matching programs to Congress and OMB;

(5) Notify applicants and beneficiaries that their records are subject to matching; and

(6) Verify match findings before reducing, suspending, terminating or denying an individual's benefits or payments.

SSA and BPD.

B. Purpose of the Matching Program

The purpose of this matching program is to establish the conditions, safeguards and procedures for BPD's disclosure of certain savings security information to SSA. (The term "savings security" means Series E, EE or I United States

Savings Securities.) This disclosure will provide SSA with information necessary to verify eligibility and payment amounts of individuals under the Supplemental Security Income (SSI) program. The SSI program was created under title XVI of the Social Security Act (the Act) to provide benefits under the rules of that title to individuals with income and resources below levels established by law and regulations.

C. Authority for Conducting the Matching Program

Sections 1631(e)(1)(B) and (f) of the Act (42 U.S.C. 1383(e)(1)(B) and (f)).

We will provide BPD with a finder file extracted from SSA's Supplemental Security Income Record and Special Veterans Benefits system of records (SSA 60-0103 full text last published in the **Federal Register** on January 11, 2006 at 71 FR 1795, 1830), containing Social Security numbers of persons who have applied for, or receive, SSI payments. This information will be matched with BPD files in BPD's savings-type securities registration systems of records (United States Savings Type Securities and Retail Treasury Securities Access Application) and a reply file of matched records will be furnished to SSA. These records are included under the systems of records Treasury/BPD.002, United States Savings Type Securities, and Treasury/BPD.008, Retail Treasury Securities Access Application, last published in the **Federal Register** on July 23, 2008 at 73 FR 42906 and 42918, respectively. Upon receipt of BPD's reply file, we will match identifying information from the BPD file with SSA's records to determine preliminarily whether the data pertain to the relevant SSI applicant or recipient before beginning the process of verifying savings security ownership and taking any necessary benefit actions.
