

automatic right to be heard at the meeting (limited to answering the Commissioners' questions, if any). See *supra* Section I(C).

The timetable described above is in addition to the existing 10-day deadline for accepting written public comments following the date the advisory opinion request is made public. See 2 U.S.C. 437f(d).

Expansion of 20-Day Expedited Process in Section 112.4(b) to Other Requestors

The Commission has an expedited procedure provided for in 2 U.S.C. 437f(a)(2) and implemented in 11 CFR 112.4(b) for certain advisory opinions. This expedited procedure is currently limited to any candidate or candidate's authorized committee that: (1) Submits a request within 60 calendar days preceding the date of an election for Federal office; (2) presents a specific transaction or activity related to the election; and (3) explains in the request the electoral connection. The Commission recognizes that this procedure does not apply to other entities or individuals, and in recognition of this will attempt to apply an expedited schedule to any entity or individual who, within 60 calendar days preceding the date of an election for Federal office, submits an advisory opinion request pertaining to a proposed public communication referencing a clearly identified Federal candidate.

The Commission notes that this new practice with respect to election-sensitive requests is in addition to the Commission's current, informal practice of expediting certain highly significant time-sensitive requests (whether or not relating to an upcoming election). The Commission endeavors to issue advisory opinions within 30 days under this general expedited process.

Withdrawal of Advisory Opinion Requests

A Requestor may withdraw an advisory opinion request at any time prior to the Commission vote on the request. Such withdrawal may be done in writing or on the record in the event a Requestor appears before the Commission.

Summary of Advisory Opinion Timetable

The following is a summary of the advisory opinion timetable, as modified by this program:

(1) Requestor submits advisory opinion request.

(2) Within 10 days of the submission of the request, OGC determines whether

the request is "complete" and "qualified."

(3) The Commission shall provide 10 days for accepting written public comments on the advisory opinion request after the request is released to the public.

(4) One week prior to the open meeting at which the advisory opinion is to be considered (three days for expedited requests), the Commission will provide at least one draft response to the Requestor and the public for comment.

(5) Requestor may submit a notice indicating that they will be available to respond to questions from the Commission no later than 48 hours prior to the open meeting at which the advisory opinion is to be considered.

(6) In the event subsequent advisory opinion draft responses are made available to the public and Requestor after one week (or three days for 20-day expedited requests) prior to the open meeting at which the advisory opinion is to be considered, the Requestor shall have an automatic right to appear before the Commission.

II. Program Implementation

The new procedures for Requestors to appear before the Commission described in Sections I(B) through (D), *supra*, shall be in effect immediately upon the publication of this notice. The Commission will evaluate the new procedures and consider whether the procedures should, by an affirmative four votes of the Commission, be discontinued or modified. After one calendar year, the program will continue as a pilot program until such time that the Commission either terminates it by an affirmative four votes or makes it permanent by an affirmative four votes.

Dated: June 30, 2009.

On behalf of the Commission,

Steven T. Walther,

Chairman, Federal Election Commission.
