SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Upon Written Request, Copies Available

From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension: Form 2-E under Rule 609, SEC File No. 270-222, OMB Control No. 3235-0233.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 609 (17 CFR 230.609) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) requires small business investment companies and business development companies that have engaged in offerings of securities that are exempt from registration pursuant to Regulation E under the Securities Act of 1933 (17 CFR 230.601 to 610a) to report semi-annually on Form 2-E (17 CFR 239.201) the progress of the offering. The form solicits information such as the dates an offering has commenced and has been completed, the number of shares sold and still being offered, amounts received in the offering, and expenses and underwriting discounts incurred in the offering. This information assists the staff in determining whether the issuer has stayed within the limits of an offering exemption.

Form 2-E must be filed semi-annually during an offering and as a final report at the completion of the offering. Less frequent filing would not allow the Commission to monitor the progress of the offering in order to ensure that the issuer was not attempting to avoid the normal registration provisions of the securities laws.

During the calendar year 2008, there were five filings of Form 2-E by three respondents. The Commission estimates, based on its experience with

disclosure documents generally and Form 2-E in particular, and based on informal contacts with the investment company industry, that the total annual burden associated with information collection and Form 2-E preparation and submission is four hours per filing or 20 hours for all respondents.

The estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even representative survey or study of the cost of Commission rules and forms.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Charles Boucher, Director/CIO, Securities and Exchange Commission, C/O Shirley Martinson, 6432 General Green Way, Alexandria, VA 22312; or send an e-mail to:

PRA_Mailbox@sec.gov.

Dated: January 22, 2009.

Deputy Secretary.
