SUPPLEMENTARY INFORMATION:

Title: Federal Highway Administration (FHWA) State Reports for American Recovery and Reinvestment Act (RECOVERY ACT), OMB Control # 2125-0623.

Background: The Recovery Act provides the State Departments of Transportation and Federal Lands Agencies with \$27.5 billion for highway infrastructure investment. With these funds also comes an increased level of data reporting with the stated goal of improving transparency and accountability at all levels of government. According to President Obama *"Every American will be able to hold Washington accountable for these decisions by going online to see how and where their tax dollars are being spent."* The Federal Highway

Administration (FHWA) in concert with the Office of the Secretary of Transportation (OST) and the other modes within the U.S. Department of Transportation (DOT) will be taking the appropriate steps to ensure that this accountability and transparency is in place for all infrastructure investments.

The July 30, 2009, notice incorrectly advised that States are required to provide information on the five most highly compensated officers of States' vendors for all Recovery Act projects. The executive compensation reporting requirement, contained in section 1512(c)(4) of the Recovery Act, does not apply to vendors. The executive compensation reporting requirement does apply to States, as prime recipients under the Recovery Act's Highway Infrastructure Investment appropriation. The requirement also applies to any sub-recipients of the States. The terms "prime recipient", "sub-recipient", "vendor", and "compensation" are defined, and further information is provided on the executive compensation reporting requirement, in guidance issued by the President's Office of Management and Budget titled "Implementing Guidance for Reports on Use of Funds Pursuant to the American Recovery and Reinvestment Act of 2009" (June 22, 2009) and Supplements 1 and 2 thereto. These documents are available at http://www.whitehouse.gov/omb/memoranda_default/.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. Chapter 35, as amended; and 49 CFR 1.48.

Issued on: October 6, 2009.

Tina Campbell,

Acting Chief, Management Programs and Analysis Division.
