

ideas, and suggestions for the future management of Rose Atoll Refuge.

We will conduct the environmental review of this project and develop an EA in accordance with the National Environmental Policy Act (NEPA) of 1969, as amended (42 U.S.C. 4321 *et seq.*); NEPA Regulations (40 CFR parts 1500–1508); other Federal laws and regulations; and our policies and procedures for compliance with those laws and regulations.

We request your input regarding issues, concerns, ideas, and suggestions important to you and the future management of the Rose Atoll Refuge. Opportunities for additional public input will be announced throughout the planning process.

### Preliminary Issues, Concerns, and Opportunities

We have identified preliminary issues, concerns, and opportunities that we may address in the CCP. We have briefly summarized the issues below. During public scoping, we may identify additional issues.

- Protect and restore terrestrial habitat for *Pisonia* forest, sea turtle nesting, seabird nesting, and shorebirds.
- Protect and restore marine habitat for coral reefs, giant clams, marine mammals, sea turtles, seabirds, and fish.
- Analyze options for issuing permits.
- Identify potential, compatible scientific exploration and research opportunities.
- Identify potential locations and stipulations for fishing (recreational and traditional indigenous subsistence).
- Identify threats to the islands and reefs (unauthorized access, illegal fishing, marine debris, shipwrecks, and invasive species).
- Provide wildlife observation and photography and environmental education opportunities.
- Identify the Refuge's relationship with Fagatele Bay National Marine Sanctuary and opportunities for cooperative activities.
- Develop monitoring and enforcement programs.
- Protect cultural resources.

### Public Meetings

We will hold public open house meetings to provide more information about the CCP process and obtain public comments. Public open house meetings will be held in the Manu'a Islands during November 2009, meeting details will be advertised locally. A public open house meeting is scheduled for November 19, 2009, from 4 p.m. to 6 p.m. at the Convention Center in Utulei, Tutuila, American Samoa.

### Public Availability of Comments

Before including your address, phone number, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comments to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Dated: November 2, 2009.

### Notice of Extension of Public Comment Period Under the Clean Air Act

Pursuant to 28 CFR 50.7, notice is hereby given that the United States has agreed to extend the public comment period in connection with a proposed Consent Decree in *United States v. Pacific Gas & Electric Company* ["PG&E"], Civil Action No. CV-09-4503 (N.D. Cal.), that was lodged with the United States District Court for the Northern District of California on September 24, 2009. The Consent Decree addresses an alleged violation of the Clean Air Act, 42 U.S.C. 7401-7671 *et seq.*, which occurred at the Gateway Generating Station, a natural gas fired power plant located near Antioch, California. The alleged violation arises from the construction of the plant by PG&E allegedly without an appropriate permit in violation of the Prevention of Significant Deterioration provisions of the Clean Air Act, 42 U.S.C. 7475, and without installing and applying best available control technology at the plant to control emissions of various air pollutants.

On October 5, 2009, the United States published a notice in the **Federal Register**, 74 FR 51170, announcing a 30 day public comment period on the proposed settlement. During the comment period, the United States received requests from various citizen

groups, including Citizens for a Better Environment, ACORN, and Californians for Renewable Energy, asking the United States to extend the period for the public to submit their comments and to provide to the United States other information that these organizations believe should be considered in connection with the proposed settlement. In light of these requests, the United States has agreed to extend the time for the public to submit comments on the proposed settlement to a date sixty (60) days from the date of publication of this **Federal Register** notice.

Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and mailed either electronically to [pubcomment-ees.enrd@usdoj.gov](mailto:pubcomment-ees.enrd@usdoj.gov) or in hard copy to the United States Department of Justice, P.O. Box 7611, Ben Franklin Station, Washington, DC 20044-7611. Comments should refer to *United States v. Pacific Gas & Electric Company*, Civil Action No. CV-09-4503 (N.D. Cal.) and D.J. Ref. No. 90-5-2-1-09753.

The Consent Decree may be examined at: (1) The offices of the United States Department of Justice, 301 Howard Street, San Francisco, California 94105; and (2) the offices of the U.S. Environmental Protection Agency, Region 9, 75 Hawthorne St., San Francisco, CA 94105. During the public comment period, the Consent Decree may also be examined on the following Web site: [http://www.usdoj.gov/enrd/Consent\\_Decrees.html](http://www.usdoj.gov/enrd/Consent_Decrees.html). A copy of the Consent Decree may also be obtained by mail from the Department of Justice Consent Decree Library, P.O. Box 7611, Washington, DC 20044-7611 or by faxing or e-mailing a request to Tonia Fleetwood ([tonia.fleetwood@usdoj.gov](mailto:tonia.fleetwood@usdoj.gov)), fax no. (202) 514-0097, phone confirmation number (202) 514-1547. In requesting a copy from the Consent Decree Library, please enclose a check in the amount of \$5.25 (21 pages at 25 cents per page reproduction costs) payable to the U.S. Treasury.
