SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-61071; File No. SR-FINRA-2009-067]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Order Approving Proposed Rule Change To Adopt FINRA Rules 2060 (Use of Information Obtained in Fiduciary Capacity) and 5290 (Order Entry and Execution Practices) in the Consolidated FINRA Rulebook

November 30, 2009.

On October 6, 2009, the Financial Industry Regulatory Authority, Inc. ("FINRA") (f/k/a National Association of Securities Dealers, Inc. ("NASD")) filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to adopt NASD Rules 3120 (Use of Information Obtained in Fiduciary Capacity) and 3380 (Order Entry and Execution Practices) as FINRA rules in the consolidated FINRA rulebook without material change. The proposed rule change would renumber NASD Rule 3120 as FINRA Rule 2060 and NASD Rule 3380 as FINRA Rule 5290 in the consolidated FINRA rulebook. The proposed rule change was published for comment in the **Federal Register** on October 28, 2009.³ The Commission received no comments on the proposal. This order approves the proposed rule change.

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities association.⁴ In particular, the Commission finds that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁵ which requires, among other things, that FINRA rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest.

The Commission believes that the proposed rule change is appropriate to continue to prohibit members who, in

In addition, Rule 19b-4(f)(6)(iii) requires that a self-regulatory organization submit to the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Commission notes that the Exchange has satisfied the five-day pre-filing notice requirement.

the capacity of a paying agent, transfer agent, trustee, or in any other similar capacity, have received information as to the ownership of securities, from using such information for the purpose of soliciting purchases, sales or exchanges except at the request and on behalf of the issuer. The Commission also believes that the proposed rule change is appropriate to continue to prohibit conduct that has the intent or effect of splitting orders into multiple smaller orders for execution or any execution into multiple smaller executions for transaction reporting for the primary purpose of maximizing a monetary or in-kind amount to be received by the member or associated person as a result of the execution of such orders or the transaction reporting of such executions. In approving the proposed rule change, the Commission notes that FINRA is adopting NASD Rules 3120 and 3380 as FINRA rules in the consolidated FINRA rulebook without material changes.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁶ that the proposed rule change (SR-FINRA-2009-067) be, and it hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁷

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

November 30, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on November 23, 2009, NASDAQ OMX BX, Inc. BX has designated the proposed rule change as constituting a non-controversial rule change under Rule 19b-4(f)(6) under the Act,³ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

BX proposes to amend Rule 1011(g)(2) to clarify the definition of what BX considers a "material change in business operations," and to delete a superfluous "and" from the rule text.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, BX included statements concerning the purpose of and basis for the proposed rule change and discussed any

comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. BX has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

BX is proposing to amend Rule 1011(g)(2) to clarify its applicability. Rule 1011(g) defines what BX considers a "material change in business operations." Pursuant to Rule 1017(a)(5), a member must file an application for approval of any material change in its business operations with BX. Rule 1011(g)(2) includes "market making, underwriting, or acting as a dealer for the first time" within the definition of "material change in business operations." Rule 1011(g)(2) is intended to require BX members to undergo an assessment and obtain approval pursuant to Rule 1017 if they intend to expand their business operations to include market making, underwriting, or acting as a dealer. The definition found in Rule 1011(g)(2) could, however, also be interpreted to include engaging in market making for the first time on a market other than BX, notwithstanding that BX has no regulatory responsibility with respect to that business activity.

BX's Rule 1011(g)(2) is based on NASD Rule 1011(k)(2), and as such, was drafted by NASD⁴ (now known as "FINRA") to be broad in application given its broad, cross-market regulatory responsibilities.⁵ In adopting Rule 1011(g)(2), however, BX did not contemplate that the rule would extend to business operations engaged in on other markets. Under such an interpretation of the rule, BX would be required to approve a member's planned change in business operations that would be conducted solely on another market. For example, a BX member that is not a market maker, yet determines to make markets on a market other than BX would, under this interpretation,

⁴ In late July 2007, NASD changed its name to the Financial Industry Regulatory Authority ("FINRA"). Accordingly, we use the term NASD in this filing only (i) when referring to period of time before the name change, and (ii) with respect to rules that are still officially designated by FINRA as "NASD rules."

⁵ BX's membership rules mirror, in most respects, those of Nasdaq, which were derived from NASD's rules. BX notes that Nasdaq is seeking to amend its Rule 1011(g)(2) consistent with the changes to the BX rules proposed herein.
