I. Introduction

II. Notice of Filing

III. Ordering Paragraphs

### I. Introduction

On December 10, 2009, the Postal Service filed a notice announcing that it has entered into an additional Global Expedited Package Services 2 (GEPS 2) contract.<sup>1</sup>

GEPS 2 provides volume-based incentives for mailers that send large volumes of Express Mail International (EMI) and/or Priority Mail International (PMI). The Postal Service believes the instant contract is functionally equivalent to the previously submitted GEPS 2 contracts and is supported by the Governors' Decision filed in Docket No. CP2008-4.<sup>2</sup> *Id.* at 1.

*The instant contract.* The Postal Service filed the instant contract pursuant to 39 CFR 3015.5. In addition, the Postal Service contends that the contract is in accordance with Order No. 290.<sup>3</sup> The term of the instant contract is 1 year from the date the Postal service notifies the customer that all necessary regulatory approvals have been received. Notice at 2.

In support of its Notice, the Postal Service filed four attachments as follows:

1. Attachment 1—an application for non-public treatment of materials to maintain the contract and supporting documents under seal;

2. Attachment 2—a redacted copy of Governors' Decision No. 08-7 which establishes prices and classifications for GEPS contracts, a description of applicable GEPS contracts, formulas for prices, an analysis and certification of the formulas and certification of the Governors' vote;

3. Attachment 3—a redacted copy of the contract, applicable annexes, and a

<sup>2</sup> See Docket No. CP2008-4, Notice of United States Postal Service of Governors' Decision Establishing Prices and Classifications for Global Expedited Package Services Contracts, May 20, 2008.

provision to modify the mailer's tender requirements; and

Attachment 4—a certified statement required by 39 CFR 3015.5(c)(2).

*Functional equivalency.* The Postal Service asserts that the instant contract is functionally equivalent to the contract in Docket No. CP2009-50 and prior GEPS 2 contracts. *Id.* at 3-4. It also contends that the instant contract meets the requirements of Governors' Decision No. 08-7 for rates for GEPS contracts. *Id.* at 3. The Postal Service indicates that the instant contract differs from the contract in Docket No. CP2009-50 in two ways, namely, (a) Customer specific information, e.g., the customer's name, address, and provisions clarifying tender locations; and (b) revisions intended to be included in all subsequent agreements. *Id.* at 3-4. The latter revisions address, for example, the treatment of confidential information and the availability of pickup service.<sup>4</sup>

The Postal Service contends that the instant contract satisfies the pricing formula and classification system established in Governors' Decision No. 08-7. *Id.* 2-3. It asserts that the instant contract and all GEPS 2 contracts have similar cost and market characteristics and is functionally equivalent in all relevant aspects. *Id.* at 5. The Postal Service concludes that this contract is in compliance with 39 U.S.C. 3633, and requests that this contract be included within the GEPS 2 product. *Id.*

## II. Notice of Filing

The Commission establishes Docket No. CP2010-14 for consideration of matters related to the contract identified in the Postal Service's Notice.

Interested persons may submit comments on whether the Postal Service's contract is consistent with the policies of 39 U.S.C. 3632, 3633, or 3642 and 39 CFR part 3015. Comments are due no later than December 21, 2009. The public portions of these filings can be accessed via the Commission's Web site (<http://www.prc.gov>).

The Commission appoints Paul L. Harrington to serve as Public Representative in this proceeding.

## III. Ordering Paragraphs

*It is ordered:*

1. The Commission establishes Docket No. CP2010-14 for consideration of the issues raised in this docket.

<sup>4</sup> *Id.* at 4-5. The Postal Service filed revisions to the agreement under seal regarding certain Articles. It is not apparent that the revised provisions should be filed as non-public. Therefore, the Postal Service shall promptly file the revised provisions as public or provide justification for their treatment as non-public.

2. Comments by interested persons in these proceedings are due no later than December 21, 2009.

3. Pursuant to 39 U.S.C. 505, Paul L. Harrington is appointed to serve as officer of the Commission (Public Representative) to represent the interests of the general public in this proceeding.

## RAILROAD RETIREMENT BOARD

### Agency Forms Submitted for OMB Review, Request for Comments

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Railroad Retirement Board (RRB) is forwarding an Information Collection Request (ICR) to the Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget (OMB) to request a revision to a currently approved collection of information. Our ICR describes the information we seek to collect from the public. Review and approval by OIRA ensures that we impose appropriate paperwork burdens.

The RRB invites comments on the proposed collections of information to determine (1) The practical utility of the collections; (2) the accuracy of the estimated burden of the collections; (3) ways to enhance the quality, utility and clarity of the information that is the subject of collection; and (4) ways to minimize the burden of collections on respondents, including the use of automated collection techniques or other forms of information technology. Comments to RRB or OIRA must contain the OMB control number of the ICR. For proper consideration of your comments, it is best if RRB and OIRA receive them within 30 days of publication date.

#### Repayment of Debt; OMB 3220-0169

When the Railroad Retirement Board (RRB) determines that an overpayment of Railroad Retirement Act (RRA) or Railroad Unemployment Insurance Act (RUIA) benefits has occurred, it initiates prompt action to notify the annuitant of the overpayment and to recover the money owed the RRB. To effect

payment of a debt by credit card, the RRB currently utilizes Form G-421f, Repayment by Credit Card.

The RRB proposes minor non-burden impacting changes to Form G-421f. One form is completed by each respondent. Completion is voluntary. RRB procedures pertaining to benefit overpayment determinations and the recovery of such benefits are prescribed in 20 CFR 255 and 340.
