

do not use a submitter's contact information for purposes other than verification of a report of harm? By what means can the CPSC enforce such provision?

Workshop 4—Additional Database Content 1 p.m.–2:20 p.m.

The CPSC staff invites discussion and comment on what additional information, other than reports of harm, manufacturer comments, and information derived from mandatory and voluntary recall notices, the Commission should include in the public database, including comment on the following topics:

- What additional categories of information should the CPSC include in the public database and why?
- What, if any, information cannot be included in the public database pursuant to the statute and why?
- Under what circumstances are the provisions of section 6(a) and (b) of the CPSA relevant to the provisions of section 6A of the CPSA, especially with regard to additional categories of information that may be included in the public database?

Workshop 5—Materially Inaccurate Information 2:30 p.m.–4 p.m.

The CPSC staff invites discussion and comment on dealing with materially inaccurate information contained in reports of harm and manufacturer comments, including comment on the following topics:

- Is the CPSC's responsibility with regard to materially inaccurate information limited to reports of harm and manufacturer comments? Why or why not?
- What, if any, measures should the CPSC employ to prevent the submission of fraudulent reports of harm while not discouraging the submission of valid reports?
- What types of information constitute materially inaccurate information? Please explain your reasoning.
- How should the CPSC process a claim that a report of harm or a manufacturer comment contains materially inaccurate information, both before and after such information has been made available in the public database?
- How should the CPSC allow a submitter or others to claim that a manufacturer has submitted materially false information?
- Given the statutory timeframe, how should the CPSC review claims of materially inaccurate information?
- What specific disclaimers should the CPSC make with regard to the

accuracy of the information contained in the public database and why? Where should such disclaimers appear and why?

Please refer to the **DATES** and **ADDRESSES** sections above for more information on relevant dates and times, how to register to attend the workshop, how to submit written comments, and how to request to make an oral presentation at the workshop. The Commission staff may hold additional public workshops in the coming months to follow up on issues discussed at the January 11 and 12, 2010 workshop and to solicit input on additional aspects of the publicly searchable database from stakeholders.

Dated: December 16, 2009.

DEPARTMENT OF EDUCATION

Submission for OMB Review; Comment Request

AGENCY: Department of Education.

SUMMARY: The Acting Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management invites comments on the submission for OMB review as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before January 21, 2010.

ADDRESSES: Written comments should be addressed to the Office of Information and Regulatory Affairs, *Attention:* Education Desk Officer, Office of Management and Budget, 725 17th Street, NW., Room 10222, New Executive Office Building, Washington, DC 20503, be faxed to (202) 395–5806 or send e-mail to oir_submission@omb.eop.gov.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere

with any agency's ability to perform its statutory obligations. The Acting Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

Office of Elementary and Secondary Education

Type of Review: Extension.

Title: Formula Grant EASIE

(Electronic Application System for Indian Education).

Frequency: Annually.

Affected Public: State, Local, or Tribal Gov't, SEAs or LEAs.

Reporting and Recordkeeping Hour Burden:

Responses: 11,270.

Burden Hours: 9,440.

Abstract: The Office of Indian Education (OIE) of the Department of Education (ED) requests clearance for the Indian Education Formula Grant Application authorized under Title VII, Part A, Subpart 1 of the Elementary and Secondary Education Act, as amended. The Indian Education Formula Grant (CFDA 84.060A), is not competitive or discretionary and requires the annual submission of the application from the local education agency and or tribe. The grant applications submitted for this program assist applicants to provide Indian students with the opportunity to meet the same challenging state standards as all other students and meet the unique educational and culturally related academic needs of American Indian and Alaska Native students. The amount of the award for each applicant is determined by a formula based on the reported number of American Indian/Alaska Native students identified in the application and the state per pupil expenditure.
