

product of the Data Workshop is a data report which compiles and evaluates potential datasets and recommends which datasets are appropriate for assessment analyses. The product of the Stock Assessment Process is a stock assessment report which describes the fisheries, evaluates the status of the stock, estimates biological benchmarks, projects future population conditions, and recommends research and monitoring needs. The assessment is independently peer reviewed at the Review Workshop. The product of the Review Workshop is a Peer Review Evaluation Report documenting Panel opinions regarding the strengths and weaknesses of the stock assessment and input data. Participants for SEDAR Workshops and Assessment Process are appointed by the Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils; the Atlantic and Gulf States Marine Fisheries Commissions; and NOAA Fisheries Southeast Regional Office and Southeast Fisheries Science Center. Participants include data collectors and database managers; stock assessment scientists, biologists, and researchers; constituency representatives including fishermen, environmentalists, and NGO's; International experts; and staff of Councils, Commissions, and state and federal agencies.

SEDAR 24 Data Workshop Schedule

May 24–28, 2010; SEDAR 24 Data Workshop

May 24, 2010: 1 p.m. - 8 p.m.; May 25–27, 2010: 8 a.m. - 8 p.m.; May 28, 2010: 8 a.m. - 12 p.m.

An assessment data set and associated documentation will be developed during the Data Workshop. Participants will evaluate all available data and select appropriate sources for providing information on life history characteristics, catch statistics, discard estimates, length and age composition, and fishery dependent and fishery independent measures of stock abundance.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during these meetings. Action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the Council's intent to take final action to address the emergency.

Special Accommodations

These meetings are physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to the Council office (see **ADDRESSES**) at least 10 business days prior to each workshop.

Dated: May 3, 2010.

Tracey L. Thompson,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

Certain New Pneumatic Off-the-Road Tires from the People's Republic of China: Partial Rescission of Countervailing Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce

SUMMARY: The Department of Commerce (the Department) is rescinding, in part, the administrative review of the countervailing duty order on Certain New Pneumatic Off-the-Road Tires (OTR Tires) from the People's Republic of China (PRC) for the period December 17, 2007 through December 31, 2008, with respect to the following two companies:

1. Hangzhou Zhongce Rubber Co., Ltd. (Zhongce)
2. Tianjin United Tire & Rubber International Co., Ltd. (TUTRIC)

This partial rescission is based on withdrawals by GPX International Tire Corporation (GPX), Zhongce, and TUTRIC of their requests for review.

DATES: *Effective Date:* May 6, 2010.

FOR FURTHER INFORMATION CONTACT: Andrew Huston, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-4261.

SUPPLEMENTARY INFORMATION:

Background

The Department published a notice of opportunity to request an administrative review of the countervailing duty order on OTR Tires from the PRC. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 74 FR 45179

(September 1, 2009). GPX timely requested an administrative review of the countervailing duty order on OTR Tires from the PRC for the period December 17, 2007 through December 31, 2008 for several companies, including TUTRIC. In addition, the Department received timely requests from Zhongce and TUTRIC. These two companies only requested reviews of themselves.

In accordance with section 751(a)(1) of the Tariff Act of 1930, as amended, (the Act) and 19 CFR 351.221(c)(1)(i), the Department published a notice initiating an administrative review of the countervailing duty order. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 74 FR 54956 (October 26, 2009).

On December 30, 2009, the Department rescinded the review with respect to the following six companies, pursuant to a timely withdrawal by GPX of its request for reviews of these companies: Aeolus Tyre Co. Ltd., Guizhou Tire Co. Ltd., Jiangsu Feichi Co., Ltd., Shandong Huitong Tyre Co., Ltd., Tianjin Wanda Tyre Co., Ltd., and Triangle Tyre Co., Ltd. *See Certain New Pneumatic Off-the-Road Tires From the People's Republic of China: Partial Rescission of Countervailing Duty Administrative Review*, 75 FR 846 (December 30, 2009). On November 20, 2009, GPX withdrew its request for review of Zhongce and TUTRIC, and on January 4, 2010 and January 12, 2010, respectively, Zhongce and TUTRIC withdrew their requests for review.

Rescission, in Part, of Countervailing Duty Administrative Review

The Department's regulations provide that the Department will rescind an administrative review if the party that requested the review withdraws its request for review within 90 days of the date of publication of the notice of initiation. *See* 19 CFR 351.213(d)(1). Zhongce, the only party that self-requested a review, timely withdrew its request within the 90-day deadline. In addition, GPX and TUTRIC, the only parties that requested a review of TUTRIC, each timely withdrew their requests regarding TUTRIC within the 90-day deadline. Therefore, in accordance with 19 CFR 351.213(d)(1), the Department is rescinding this administrative review of the countervailing duty order with respect to Zhongce and TUTRIC. This administrative review will continue with respect to Hebei Starbright Tire Co.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess countervailing duties on all appropriate entries. For Zhongce and TUTRIC, countervailing duties shall be assessed at rates equal to the cash deposit or bonding rate of the estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notification Regarding Administrative Protective Order

This notice serves as a final reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: April 29, 2010.

Edward C. Yang,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Coated Paper Suitable for High-Quality Print Graphics Using Sheet-Fed Presses From Indonesia: Preliminary Determination of Sales at Less Than Fair Value and Postponement of Final Determination

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* May 6, 2010.

SUMMARY: The Department of Commerce (the Department) preliminarily determines that certain coated paper suitable for high-quality print graphics

using sheet-fed presses (coated paper) from Indonesia is being, or is likely to be, sold in the United States at less than fair value (LTFV), as provided in section 733(b) of the Tariff Act of 1930, as amended (the Act). The estimated dumping margins are listed in the "Suspension of Liquidation" section of this notice. Interested parties are invited to comment on this preliminary determination. Pursuant to requests from interested parties, we are postponing for 60 days the final determination and extending provisional measures from a four-month period to not more than six months. Accordingly, we will make our final determination not later than 135 days after publication of the preliminary determination.

FOR FURTHER INFORMATION CONTACT:

Gemal Brangman or Brian Smith, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-3773 and (202) 482-1766, respectively.

SUPPLEMENTARY INFORMATION:

Background

In its initiation of this investigation (see *Certain Coated Paper Suitable for High-Quality Print Graphics Using Sheet-Fed Presses From Indonesia and the People's Republic of China: Initiation of Antidumping Duty Investigations*, 74 FR 53710 (October 20, 2009) (*Initiation Notice*)), the Department stated that it had selected PT. Pabrik Kertas Tjiwi Kimia Tbk. (TK) and PT. Pindo Deli Pulp and Paper (PD) as the mandatory respondents in this investigation. See *Initiation Notice*, 74 FR 53714. Since the *Initiation Notice*, the following events have occurred.

The Department set aside a period of time for parties to raise issues regarding product coverage and encouraged all parties to submit comments within 20 calendar days of publication of the *Initiation Notice*. See *Initiation Notice*, 74 FR at 53710; see also *Antidumping Duties; Countervailing Duties; Final Rule*, 62 FR 27296, 27323 (May 19, 1997). We received several scope comment submissions from interested parties during the period November 2009 through April 2010. For further details, see "Scope Comments" section of this notice. The Department also set aside a time for parties to comment on product characteristics for use in the antidumping questionnaire. We received such comments from the respondents on November 2, 2009, and

from the petitioners¹ on November 10, 2009.

On November 17, 2009, the U.S. International Trade Commission (ITC) preliminarily determined that there is a reasonable indication that imports of coated paper from Indonesia are materially injuring the U.S. industry and notified the Department of its findings. See *Certain Coated Paper Suitable for High-Quality Print Graphics Using Sheet-Fed Presses from China and Indonesia*, Investigation Nos. 701-TA-470-471 and 731-TA-1169-1170 (Preliminary), 74 FR 61174 (November 23, 2009).

On November 20, 2009, we issued PD and TK the antidumping duty questionnaire.

On December 16, 2009, we issued a memorandum detailing the reasons why it would not be practicable in this investigation to examine individually more than the two Indonesian producers/exporters of coated paper named in the *Initiation Notice*. See Memorandum from James Maeder, Office Director, to John M. Andersen, Acting Deputy Assistant Secretary, entitled, "Certain Coated Paper Suitable for High-Quality Print Graphics Using Sheet-Fed Presses from Indonesia: Selection of Respondents," dated December 16, 2009 (Respondent Selection Memo).

On December 22, 2009, PD and TK submitted a consolidated response to section A (*i.e.*, the section covering general information about the company) of the antidumping duty questionnaire. In this submission, PD and TK indicated that not only are they affiliated with each other, but they are also affiliated with a third company that produces coated paper in Indonesia, PT Indah Kiat Pulp and Paper Tbk. (IK). Based on an analysis of the facts of record, as discussed in the "Collapsing" section of this notice below, we find that it is appropriate to treat these companies as a single entity, hereafter referred to as PD/TK/IK.

On January 12, 2010, PD and TK submitted their responses to sections B (*i.e.*, the section covering comparison-market sales) and C (*i.e.*, the section covering U.S. sales) of the antidumping duty questionnaire. On January 19, 2010, PD and TK submitted their response to section D (*i.e.*, the section covering cost of production (COP) and constructed value (CV)) of the

¹ The petitioners include the following companies: Appleton Coated LLC, NewPage Corporation, S.D. Warren Company d/b/a/ Sappi Fine Paper North America, and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union.
