## SECURITIES AND EXCHANGE COMMISSION

**[Release No. 34-61253; File No. SR-FINRA-2009-081]**

### Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing of Proposed Rule Change To Adopt FINRA Rule 2261 (Disclosure of Financial Condition) in the Consolidated FINRA Rulebook

December 29, 2009.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on November 18, 2009, Financial Industry Regulatory Authority, Inc. ("FINRA") (f/k/a National Association of Securities Dealers, Inc. ("NASD")) filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by FINRA. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to adopt NASD Rule 2270 (Disclosure of Financial Condition to Customers) and NASD Rule 2910 (Disclosure of Financial Condition to Other Members) as a FINRA rule in the consolidated FINRA rulebook. The proposed rule change would combine NASD Rule 2270 and NASD Rule 2910, subject to certain amendments, into FINRA Rule 2261 (Disclosure of Financial Condition) in the consolidated FINRA rulebook.

The text of the proposed rule change is available on FINRA's Web site at <http://www.finra.org>, at the principal office of FINRA, and at the Commission's Public Reference Room.

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

## II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, FINRA included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FINRA has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

#### 1. Purpose

As part of the process of developing a new consolidated rulebook ("Consolidated FINRA Rulebook"),<sup>3</sup> FINRA is proposing to adopt NASD Rule 2270 (Disclosure of Financial Condition to Customers) and NASD Rule 2910 (Disclosure of Financial Condition to Other Members), subject to certain amendments, as FINRA Rule 2261 in the Consolidated FINRA Rulebook.

NASD Rule 2270 requires members to make available for inspection, upon the request of any bona fide regular customer,<sup>4</sup> the information relative to such member's financial condition as disclosed in its most recent balance sheet prepared either in accordance with such member's usual practice or as required by any state or federal securities laws, or any rule or regulation thereunder.

FINRA is proposing to amend the requirements of NASD Rule 2270 to provide an alternative means of satisfying the requirement that members make balance sheet information available to bona fide regular customers. Currently, the rule requires that members "make available to inspection

by any bona fide regular customer, upon request, the information relative to such member's financial condition as disclosed in its most recent balance sheet. \* \* \* FINRA is proposing to provide members with the option of delivering their balance sheet, in paper or electronic form, to customers who request it. With respect to electronic delivery, the requesting customer must consent to receive the balance sheet in electronic form to ensure that such information is accessible to the customer. FINRA is not proposing to require members to deliver their balance sheet to all customers (instead of making them available to inspection or delivering them upon request) because SEA Rule 17a-5(c) generally requires a broker-dealer that carries customer accounts to send its full balance sheet and certain other financial information to each of its customers twice a year.<sup>5</sup> NASD Rule 2270 provides customers with additional access to their broker's balance sheet information by requiring that members permit customers to inspect or obtain a copy of a member's most recent balance sheet at any time upon request.

NASD Rule 2910 requires any member that is a party to an open transaction or who has on deposit cash or securities of another member to furnish, upon the written request of the other member, a statement of its financial condition as disclosed in its most recently prepared balance sheet. FINRA is proposing to amend the provisions of NASD Rule 2910 to require, consistent with NASD Rule 2270, that members provide to other members the balance sheet that was "prepared either in accordance with such member's usual practice or as required by any state or federal securities laws, or any rule or regulation thereunder." In addition, FINRA is proposing that members be permitted to provide their balance sheet to other members in paper or electronic form. However, unlike the proposed amendments to NASD Rule 2270, FINRA is not proposing to require members to obtain the consent of other members to electronically deliver the balance sheet. FINRA believes that other

members, unlike all customers, will be equipped to receive electronic delivery.

FINRA believes that the requirements of NASD Rule 2270 and NASD Rule 2910 continue to provide access to important information by allowing customers and other members to have access to a copy of a member's most recent balance sheet at any time upon request and should be transferred, as amended, to the Consolidated FINRA Rulebook as FINRA Rule 2261.

FINRA will announce the implementation date of the proposed rule change in a *Regulatory Notice* to be published no later than 90 days following Commission approval.

#### 2. Statutory Basis

FINRA believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,<sup>6</sup> which requires, among other things, that FINRA rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade and, in general, to protect investors and the public interest. FINRA believes that adopting the proposed rules as part of the Consolidated FINRA Rulebook will continue to serve important objectives by ensuring that basic, current information regarding the financial condition of members with which customers and other members conduct business is available upon request.

### B. Self-Regulatory Organization's Statement on Burden on Competition

FINRA does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

<sup>3</sup> The current FINRA rulebook consists of (1) FINRA Rules; (2) NASD Rules; and (3) rules incorporated from NYSE ("Incorporated NYSE Rules") (together, the NASD Rules and Incorporated NYSE Rules are referred to as the "Transitional Rulebook"). While the NASD Rules generally apply to all FINRA members, the Incorporated NYSE Rules apply only to those members of FINRA that are also members of the NYSE ("Dual Members"). The FINRA Rules apply to all FINRA members, unless such rules have a more limited application by their terms. For more information about the rulebook consolidation process, see *Information Notice*, March 12, 2008 (Rulebook Consolidation Process).

<sup>4</sup> For purposes of the rule, "customer" means any person who, in the regular course of such member's business, has cash or securities in the possession of such member.

<sup>5</sup> SEC Rule 17a-5(c)(5) contains a conditional exemption from the requirement that broker-dealers semi-annually send customers a full balance sheet. Under the exemption, a broker-dealer can semi-annually send its customers summary information regarding its net capital, as long as it also provides customers with a toll-free number to call for a free copy of its full balance sheet, makes its full balance sheet available to customers on its website, and meets other specified requirements. See Securities Exchange Act Release No. 48272 (August 1, 2003), 68 FR 46446 (August 6, 2003).

<sup>6</sup> 15 U.S.C. 78o-3(b)(6).

(A) By order approve such proposed rule change, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-61250; File No. SR-NYSEAmex-2009-92]

### Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by NYSE Amex LLC Extending the Operative Date of Rule 92(c)(3) From December 31, 2009 to July 31, 2010

December 29, 2009.

Pursuant to Section 19(b)(1)<sup>1</sup> of the Securities Exchange Act of 1934 (the "Act")<sup>2</sup> and Rule 19b-4 thereunder,<sup>3</sup> notice is hereby given that on December 23, 2009, NYSE Amex LLC (the "Exchange" or "NYSE Amex") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to extend the operative date of Rule 92(c)(3) from December 31, 2009 to July 31, 2010. The text of the proposed rule change is available at the Exchange, on the Commission's Web site at <http://www.sec.gov>, the Commission's Public Reference Room, and <http://www.nyse.com>.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries,

set forth in sections A, B, and C below, of the most significant parts of such statements.

#### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

##### 1. Purpose

The Exchange is proposing to extend the delayed operative date of Rule 92(c)(3) from December 31, 2009 to July 31, 2010. The Exchange believes that this extension will provide the time necessary for the Exchange, the New York Stock Exchange LLC ("NYSE"), and the Financial Industry Regulatory Authority, Inc. ("FINRA") to harmonize their respective rules concerning customer order protection to achieve a standardized industry practice.<sup>4</sup>

##### *Background*

On July 5, 2007, the Commission approved amendments to NYSE Rule 92 to permit riskless principal trading at the NYSE.<sup>5</sup> These amendments were filed in part to begin the harmonization process between NYSE Rule 92 and FINRA's Manning Rule.<sup>6</sup> In connection with those amendments, the NYSE implemented for an operative date of January 16, 2008, NYSE Rule 92(c)(3), which permits NYSE member organizations to submit riskless principal orders to the NYSE, but requires them to submit to a designated NYSE database a report of the execution of the facilitated order. That rule also requires members to submit to that same database sufficient information to provide an electronic link of the execution of the facilitated order to all of the underlying orders.

For purposes of NYSE Rule 92(c)(3), the NYSE informed member organizations that when executing riskless principal transactions, firms must submit order execution reports to the NYSE's Front End Systemic Capture ("FESC") database linking the execution of the riskless principal order on the NYSE to the specific underlying orders. The information provided must be sufficient for both member firms and the NYSE to reconstruct in a time-sequenced manner all orders, including allocations to the underlying orders, with respect to which a member organization is claiming the riskless principal exception.

<sup>4</sup> NYSE has filed a companion rule filing to conform its Rules to the changes proposed in this filing. See SR-NYSE-2009-129, formally submitted December 23, 2009.
