FEDERAL HOUSING FINANCE AGENCY

[No. 2010-N-13]

Privacy Act of 1974; System of Records

AGENCY: Federal Housing Finance Agency.

ACTION: Notice of the establishment of a new system of records.

SUMMARY: In accordance with the requirements of the Privacy Act of 1974, as amended (Privacy Act), the Federal Housing Finance Agency (FHFA) gives notice of a proposed Privacy Act system of records to replace a system of records issued by FHFA's predecessor agency, the Office of Federal Housing Enterprise Oversight (OFHEO) which was abolished July 30, 2009, and to fulfill FHFA's statutory requirement to collect the records. This system is being established so that FHFA may carry out its statutory authority to require the regulated entities to report fraud or possible fraud upon discovery and in

furtherance of its authority for oversight of the safe and sound operations of the regulated entities. The deleted system of records is being replaced as a result of FHFA's statutory authority. The proposed system will include information formerly maintained in the system, OFHEO-07, "Mortgage Fraud System" published at 71 FR 6085 on February 6, 2006.

II. Introduction

The Housing and Economic Recovery Act of 2008 (HERA), Public Law 110-289, 122 Stat. 2654 (2008), amended the Federal Housing Enterprises Financial Safety and Soundness Act of 1992 (12 U.S.C. 4501 *et seq.*) (Safety and Soundness Act) and transferred to FHFA the supervisory and oversight responsibilities over the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, and the Federal Home Loan Banks (collectively, regulated entities). FHFA is responsible for ensuring that the regulated entities operate in a safe and sound manner and carry out their public policy missions. The OFHEO and the Federal Housing Finance Board were abolished on July 30, 2009, one year after the enactment of HERA.¹

Section 1379E of the Safety and Soundness Act (section 1379E) (12 U.S.C. 4642(a)) subjects the regulated entities to both fraud reporting and internal control requirements. Under this statutory provision, the Director of FHFA must require a regulated entity to submit a timely report upon discovery that it has purchased or sold a fraudulent loan or financial instrument,

or suspects a possible fraud relating to the purchase or sale of any loan or financial instrument. Additionally, the Director must require each regulated entity to establish and maintain procedures designed to discover any such transactions.

This notice informs the public of FHFA's proposal to establish and maintain a new system of records and to delete an obsolete system of records. The proposed new system of records is: FHFA-6, Fraud Reporting System. The deleted system of records is: OFHEO-07 Mortgage Fraud System.

This notice satisfies the Privacy Act requirement that an agency publish a system of records notice in the **Federal Register** when there is an addition to the agency's system of records. Congress recognized that application of all requirements of the Privacy Act to certain categories of records may have an undesirable and often unacceptable effect upon agencies in the conduct of necessary public business. Consequently, Congress established general exemptions and specific exemptions that could be used to exempt records from provisions of the Privacy Act. Congress also required that exempting records from provisions of the Privacy Act would require the head of an agency to publish a determination to exempt a record from the Privacy Act as a rule in accordance with the Administrative Procedures Act. The Director of FHFA has determined that records and information in this new system of records is not exempt from requirements of the Privacy Act.

As required by the Privacy Act, 5 U.S.C. 552a(r), and pursuant to paragraph 4c of Appendix I to OMB Circular No. A-130, "Federal Agency Responsibilities for Maintaining Records About Individuals," dated February 8, 1996 (February 20, 1996; 61 FR 6427, 35), FHFA has submitted a report describing the new system of records covered by this notice, to the Committee on Oversight and Government Reform of the House of Representatives, the Committee on Governmental Affairs of the Senate, and the Office of Management and Budget.

The proposed new system of records described above is set forth in its entirety below.
