FCC Notice Required by the Paperwork Reduction Act

We have estimated that each response to this collection of information will take, on average, 6 hours. Our estimate includes the time to read the instructions, look through existing records, gather and maintain required data, and actually complete and review the response. If you have any comments on this estimate, or on how we can improve the collection and reduce the burden it causes you, please write to the Federal Communications Commission, AMD-PERM, Paperwork Reduction Project (3060-0647), Washington, DC 20554. We will also accept your comments via the Internet if you send them to PRA@fcc.gov. Remember—you are not required to respond to a collection of information sponsored by the Federal government, and the government may not conduct or sponsor this collection, unless it displays a currently valid OMB control number or if we fail to provide you with this notice. This collection has been assigned an OMB control number of 3060-0647.

FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection Being Submitted for Review and Approval to the Office of Management and Budget (OMB), Comments Requested

February 18, 2010.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s), as required by the Paperwork Reduction Act of 1995, 44 U.S.C. 3501-3520. Comments are requested concerning: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the

Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and (e) ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a currently valid OMB control number.

DATES: Persons wishing to comment on this information collection should submit comments on or before March 25, 2010. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Nicholas A. Fraser, Office of Management and Budget (OMB), via fax at (202) 395-5167, or via the Internet at Nicholas_A_Fraser@omb.eop.gov and to Judith B. Herman, Federal Communications Commission (FCC). To submit your PRA comments by e-mail send them to: PRA@fcc.gov. To view a copy of this information collection request (ICR) submitted to OMB: (1) Go to web page: <http://www.reginfo.gov/public/do/PRAMain>, (2) look for the section of the web page called "Currently Under Review", (3) click on the downward-pointing arrow in the "Select Agency" box below the "Currently Under Review" heading, (4) select "Federal Communications Commission" from the list of agencies presented in the "Select Agency" box, (5) click the "Submit" button to the right of the "Select Agency" box, and (6) when the FCC list appears, look for the title of this ICR (or its OMB Control Number, if there is one) and then click on the ICR.

FOR FURTHER INFORMATION CONTACT: Judith B. Herman, OMD, 202-418-0214. For additional information about the information collection(s) send an e-mail to PRA@fcc.gov or contact Judith B. Herman, 202-418-0214.

SUPPLEMENTARY INFORMATION:

OMB Control No: 3060-1096.

Title: Prepaid Calling Card Service Provider Certification, WC Docket No. 05–68.

Form No.: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit.

Number of Respondents: 158 respondents; 1,896 responses.

Estimated Time Per Response: 2.5 – 20 hours.

Frequency of Response: Quarterly reporting requirement, recordkeeping requirement and third party disclosure requirement.

Obligation to Respond: Mandatory. Statutory authority for this collection of information is contained in 47 U.S.C. sections 151, 152, 154(i), 201, 202, and 254.

Total Annual Burden: 15,800 hours.

Total Annual Cost Burden: N/A.

Privacy Act Impact Assessment: N/A.

Nature and Extent of Confidentiality:

The Commission does not anticipate providing confidentiality of the information submitted by prepaid calling card providers. Particularly, the prepaid calling card providers must send reports to their transport providers. Additionally, the quarterly certifications sent to the Commission will be made public through the Electronic Comment Filing System (ECFS) process. These certifications will be filed in the Commission's docket associated with this proceeding. If the respondents submit information they believe to be confidential, they may request confidential treatment of such information under 47 CR 0.459 of the Commission's rules.

Need and Uses: The Commission will submit this expiring information collection to the Office of Management and Budget (OMB) during this comment period in order to obtain the full three year clearance from them. There is no change to the reporting, recordkeeping and/or third party disclosure requirements. There is a 62,900 hour reduction in the total annual burden which is due to a decrease in respondents. This is due in part to an inaccurate number of respondents in the previous submission to the OMB.

Prepaid calling card providers are to report on a quarterly basis the percentage of interstate and international traffic and call volumes to carriers from which they purchase transport services. Prepaid calling card providers must also file certifications with the Commission on a quarterly basis that include the above information and a statement that they are contributing to the federal Universal Service Fund (USF) based on all

interstate and international revenue, except for revenue from the sale of prepaid calling cards by, to, or pursuant to contract with the Department of Defense (DoD) or a DoD entity.

The Commission adopted the reporting and certification requirements to obtain information necessary to evaluate whether all prepaid calling cards are properly contributing to the USF, pursuant to section 254 of the Communications Act of 1934, as amended.

Federal Communications Commission.

Marlene H. Dortch,

Secretary, Office of the Secretary, Office of Managing Director.
