

must be designed to promote just and equitable principles of trade, remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest, and are not designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Commission believes that the proposal is consistent with Section 6(b)(10) of the Act because it adopts revisions that comply with that section. As noted in the accompanying Senate Report, Section 957, which adopts Section 6(b)(10), reflects the principle that “final vote tallies should reflect the wishes of the beneficial owners of the stock and not be affected by the wishes of the broker that holds the shares.”¹³ The proposed rule change will make CHX rules compliant with the new requirements of Section 6(b)(10) by prohibiting broker-dealers, who are not beneficial owners of a security, from voting uninstructed shares with respect to any matter on executive compensation.¹⁴

The Commission believes that the proposal is consistent with Section 6(b)(5) of the Act because the proposal will further investor protection and the public interest by assuring that shareholder votes on executive compensation matters are made by those with an economic interest in the company, rather than by a broker that has no such economic interest, which should enhance corporate governance and accountability to shareholders.¹⁵

The Commission notes that the CHX’s new rule prohibiting uninstructed broker votes on executive compensation covers the specific items identified in Section 951 of the Dodd-Frank Act, as well as any other matter concerning executive compensation, and has been

drafted broadly to reflect the requirements of Section 6(b)(10) of the Act. The proposed rule language also specifically states that a broker vote on any executive compensation matter would not be permitted even it would otherwise qualify for an exception from any item under Article 8, Rule 14. The Commission believes this provision will make clear that any past practice or interpretation that may have permitted a broker vote on an executive compensation matter, under existing rules, will no longer be applicable and is superseded by the newly adopted provisions.

Finally, the Commission notes that the change to reflect that the CHX rules prohibit not only the giving of a proxy, but also the authorization of the proxy, should help to clarify the intent of the CHX proxy rules and is consistent with the requirements of Section 6 of the Act.

Based on the above, the Commission believes that CHX’s proposal will further the purposes of Sections 6(b)(5) and 6(b)(10) of the Act by ensuring that brokers, holding shares on behalf of beneficial owners, are not voting uninstructed shares on matters relating to executive compensation, which should enhance corporate accountability to shareholders. The rule filing should also serve to fulfill the Congressional intent in adopting Section 6(b)(10) of the Act.

The Commission also finds good cause, pursuant to Section 19(b)(2) of the Act,¹⁶ for approving the proposed rule change prior to the 30th day after the date of publication of notice in the **Federal Register**. As noted above, Section 6(b)(10) of the Act, enacted under Section 957 of the Dodd-Frank Act, does not provide for a transition phase, and requires rules of national securities exchanges to prohibit, among other things, broker voting on executive compensation. The Commission believes that good cause exists to grant accelerated approval to the Exchange’s proposal, because it will conform Article 8, Rule 14 to the requirements of Section 6(b)(10) of the Act. Moreover, the Commission notes that the proposed changes are based on NYSE Rule 452.¹⁷

V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹⁸ that the proposed rule change (SR-CHX-2011-01) be, and it hereby is, approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹⁹

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-64122; File No. SR-Phlx-2011-03]

Self-Regulatory Organizations; NASDAQ OMX PHLX LLC; Notice of Filing and Order Granting Accelerated Approval of a Proposed Rule Amendment to Rule 862 Relating to Discretionary Proxy Voting on Executive Compensation Matters

March 24, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 16, 2011, NASDAQ OMX PHLX LLC (“Phlx” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons and is approving the proposed rule change on an accelerated basis.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange, pursuant to Section 19(b)(1) of the Act³ and Rule 19b-4 thereunder,⁴ proposes to amend Phlx Rule 862 (Proxies at Direction of Owner) to prohibit member organizations from voting on matters related to executive compensation, or any other significant matter, as determined by the Securities and Exchange Commission (“Commission”) by rule unless instructed by the beneficial owner of the shares.

The text of the proposed rule change is available on the Exchange’s Web site at <http://www.nasdaqtrader.com/micro.aspx?id=PHLXRulefilings>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

¹⁴ As noted above, Section 6(b)(10) also prohibits broker voting for director elections, except for uncontested director elections of registered investment companies, and also “any other significant matter, as determined by the Commission, by rule.” CHX already prohibits broker voting in director elections except for uncontested director elections for registered investment companies. See CHX Article 8, Rule 14(c)(4)(s) and note 15, *infra*. As to other matters, the Commission has not, to date, adopted rules concerning other significant matters where uninstructed broker votes should be prohibited, although it may do so in the future. Should the Commission adopt such rules, we would expect CHX to adopt coordinating rules promptly to comply with the statute.

¹⁵ As the Commission stated in approving NYSE rules prohibiting broker voting in the election of directors, having those with an economic interest in the company vote the shares, rather than the broker who has no such economic interest, furthers the goal of enfranchising shareholders. II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item III below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Exchange Rule 862 provides instructions on how the proxies are voted. A member organization may give a proxy to vote stock provided that:

(1) It has transmitted proxy-soliciting material to the beneficial owner of stock;

(2) It has not received voting instructions from the beneficial owner by the date specified in the statement accompanying such material; and

(3) Provided such action is adequately disclosed to stockholders and does not include authorization for a merger, consolidation or any matter which may substantially affect the rights or privileges of such stock.

The purpose of the proposed rule change is to amend Exchange Rule 862(2)(b) to prohibit member organizations from voting on matters related to executive compensation, or any other significant matter, as determined by the Commission, unless instructed by the beneficial owner of the shares. On July 21, 2010, the President signed the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act"). Section 957 of the Dodd-Frank Act adopted new Section 6(b)(10) of the Act.⁵ This new provision requires all national securities exchanges to adopt rules that prohibit their members from voting on the election of a member of the board of directors of an issuer (except for a vote with respect to the uncontested election of a member of the board of directors of any investment company registered under the Investment Company Act of 1940), executive compensation, or any other significant matter, as determined by the Commission, unless the member

receives voting instructions from the beneficial owner of the shares.

On August 18, 2010, the Exchange filed amendments to Rule 862 to, in part, eliminate broker discretionary voting for all elections of directors at shareholder meetings, whether contested or not, except for companies registered under the Investment Company Act of 1940 (the "1940 Act"), provided that it is not the subject of counter solicitation.⁶

To further assure compliance with the newly adopted Section 6(b)(10), the Exchange proposes to add a new Item 21 and accompanying commentary to Exchange Rule 862(2)(b) to provide that in no event could a member organization vote shares on matters regarding executive compensation, or any other significant matter, as determined by the Commission, unless instructed by the beneficial owner of the shares. The proposed commentary to Item 21 would clarify that a matter relating to executive compensation would include, among other things, the items referred to in Section 14A of the Exchange Act (added by Section 951 of the Dodd-Frank Act), including (i) an advisory vote to approve the compensation of executives, (ii) a vote on whether to hold such an advisory vote every one, two or three years, and (iii) an advisory vote to approve any type of compensation (whether present, deferred, or contingent) that is based on or otherwise relates to an acquisition, merger, consolidation, sale, or other disposition of all or substantially all of the assets of an issuer and the aggregate total of all such compensation that may (and the conditions upon which it may) be paid or become payable to or on behalf of the executive officer. In addition, a member organization may not give or authorize a proxy to vote without instructions on a matter relating to executive compensation, even if such matter would otherwise qualify for an exception from the requirements of Item 12, Item 13 or any other Item under Exchange Rule 862(2)(b). Any vote on these or similar executive compensation-related matters would be subject to the requirements of Exchange Rule 862.

The Exchange's proposal also includes commentaries to Items 12 and 13 to provide guidance that a member organization may not give or authorize a proxy to vote without instructions on a matter relating to executive compensation, even if such matter would otherwise qualify for an

exception from the requirements of Item 12, Item 13 or any other Item under Rule 862, and further provides a reference to Item 21.

The Exchange is proposing to add the words "or authorize" in the following places to clarify that the rule includes not only the giving of a proxy but the authorization of such proxy:

1. Exchange Rule 862(2)(b); and
2. Exchange Rule 862(2)(b)(20).

The Exchange also made necessary clerical changes in the following manner:

1. Item 19 deletes the colon and the word "or" at the end of the paragraph, and adds a semi-colon; and

2. Item 20 deletes a period at the end of the paragraph, and adds a semi-colon and the word "or".

Similar changes have already been made at the New York Stock Exchange, Inc. ("NYSE") and The Nasdaq Stock Market LLC ("NASDAQ").⁷ Amending Exchange Rule 862 similarly continues to provide consistency among the exchanges to eliminate disparities regarding proxy voting, as well as complies with Section 6(b)(10) of the Act.⁸

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁹ in general and with Section 6(b)(10) of the Act,¹⁰ in particular. Section 6(b)(10) requires that a national securities exchange's rules must prohibit any member that is not the beneficial owner of a security registered under Section 12 from granting a proxy to vote the security in connection with a shareholder vote on, among other things, executive compensation matters, or any other significant matter, as determined by the Commission. The proposed rule change will adopt the prohibition required by Section 6(b)(10).

Section 6(b)(5) requires that the rules of a national securities exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market

system, and, in general, to protect investors and the public interest. The proposed rule change is consistent with this requirement in that it will protect investors and the public interest by adopting the requirements of Section 957 of the Dodd-Frank Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

IV. Commission's Findings and Order Granting Accelerated Approval of the Proposed Rule Change

In its filing, the Exchange requested that the Commission approve the proposal on an accelerated basis. The Exchange stated that it believed good cause existed to grant accelerated approval because Section 957 of the Dodd-Frank Act does not provide for a transition period.

After careful consideration, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.¹¹ The Commission believes that the proposal is consistent with Section 6(b)(10)¹² of the Act, which requires that national securities exchanges adopt rules prohibiting members that are not beneficial holders of a security from voting uninstructed proxies with respect to the election of a member of the board of directors of an issuer (except for uncontested elections of directors for companies registered under the Investment Company Act), executive compensation, or any other significant matter, as determined by the Commission, by rule. The Commission also believes that the proposal is consistent with Section 6(b)(5)¹³ of the Act, which provides, among other things, that the rules of the Exchange must be designed to promote just and equitable principles of trade, remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest, and are not designed to

permit unfair discrimination between customers, issuers, brokers, or dealers.

The Commission believes that the proposal is consistent with Section 6(b)(10) of the Act because it adopts revisions that comply with that section. As noted in the accompanying Senate Report, Section 957, which adopts Section 6(b)(10), reflects the principle that "final vote tallies should reflect the wishes of the beneficial owners of the stock and not be affected by the wishes of the broker that holds the shares."¹⁴ The proposed rule change will make Phlx rules compliant with the new requirements of Section 6(b)(10) by prohibiting broker-dealers, who are not beneficial owners of a security, from voting uninstructed shares with respect to any matter on executive compensation or any other significant matter, as determined by the Commission by rule.¹⁵

The Commission believes that the proposal is consistent with Section 6(b)(5) of the Act because the proposal will further investor protection and the public interest by assuring that shareholder votes on executive compensation matters are made by those with an economic interest in the company, rather than by a broker that has no such economic interest, which should enhance corporate governance and accountability to shareholders.¹⁶

The Commission notes that Phlx's new rule prohibiting uninstructed broker votes on executive compensation covers the specific items identified in Section 951 of the Dodd-Frank Act, as well as any other matter concerning executive compensation, and has been drafted broadly to reflect the requirements of Section 6(b)(10) of the Act. The proposed rule language also specifically states that a broker vote on any executive compensation matter would not be permitted even it would

¹⁴ See S. Rep. No. 111-176, at 136 (2010).

¹⁵ As noted above, Section 6(b)(10) also prohibits broker voting for director elections, except for uncontested director elections of registered investment companies. PHLX already prohibits broker voting in director elections except for uncontested director elections for registered investment companies. See Phlx Rule 862(2)(b)(19) and note 6 *supra*; see also note 16 *infra*. As to other matters, the Commission has not, to date, adopted rules concerning other significant matters where uninstructed broker votes should be prohibited, although it may do so in the future. Should the Commission adopt such rules, we would expect PHLX to adopt coordinating rules promptly to comply with the statute.

¹⁶ As the Commission stated in approving NYSE rules prohibiting broker voting in the election of directors, having those with an economic interest in the company vote the shares, rather than the broker who has no such economic interest, furthers the goal of enfranchising shareholders. See Securities Exchange Act Release No. 60215 (July 1, 2009), 74 FR 33293 (July 10, 2009) (SR-NYSE-2006-92).

¹¹ In approving this rule change, the Commission notes that it has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

¹² 15 U.S.C. 78f(b)(10).

¹³ 15 U.S.C. 78f(b)(5).

otherwise qualify for an exception from any item under Rule 862. The Commission believes this provision will make clear that any past practice or interpretation that may have permitted a broker vote on an executive compensation matter, under existing rules, will no longer be applicable and is superseded by the newly adopted provisions.

Finally, the Commission notes that the change to reflect that Phlx rules prohibit not only the giving of a proxy, but also the authorization of the proxy, should help to clarify the intent of Phlx proxy rules and is consistent with the requirements of Section 6 of the Act.

Based on the above, the Commission believes that the Phlx's proposal will further the purposes of Sections 6(b)(5) and 6(b)(10) of the Act by ensuring that brokers, holding shares on behalf of beneficial owners, are not voting uninstructed shares on matters relating to executive compensation, which should enhance corporate accountability to shareholders. The rule filing should also serve to fulfill the Congressional intent in adopting Section 6(b)(10) of the Act.

The Commission also finds good cause, pursuant to Section 19(b)(2) of the Act,¹⁷ for approving the proposed rule change prior to the 30th day after the date of publication of notice in the **Federal Register**. As noted above, Section 6(b)(10) of the Act, enacted under Section 957 of the Dodd-Frank Act, does not provide for a transition phase, and requires rules of national securities exchanges to prohibit, among other things, broker voting on executive compensation. The Commission believes that good cause exists to grant accelerated approval to the Exchange's proposal, because it will conform Phlx Rule 862 to the requirements of Section 6(b)(10) of the Act. Moreover, the Commission notes that the proposed changes are based on NYSE Rule 452.¹⁸

V. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹⁹ that the proposed rule change (SR-Phlx-2011-03) be, and it hereby is, approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.²⁰

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-64120; File No. SR-BX-2011-015]

Self-Regulatory Organizations; NASDAQ OMX BX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Chapter XI of the BOX Trading Rules To Harmonize Them With Rules of the Financial Industry Regulatory Authority, Inc. and Other Options Exchanges

March 24, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 11, 2011, NASDAQ OMX BX, Inc. ("Self-Regulatory Organization" or "SRO") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the SRO. The SRO has designated the proposed rule change as constituting a "non-controversial" rule change under paragraph (f)(6) of Rule 19b-4 under the Act,³ which renders the proposal effective upon receipt of the filing. The Commission is publishing this notice to solicit comments on the proposed rule from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The SRO proposes to amend Chapter XI of the Boston Options Exchange Group, LLC ("BOX") Trading Rules to harmonize them with Rules of the Financial Industry Regulatory Authority, Inc. ("FINRA") and other options exchanges. The text of the proposed rule change is available from the principal office of the SRO, at the Commission's Public Reference Room and also on the SRO's Internet Web site at <http://nasdaqomxbx.cchwallstreet.com/NASDAQOMXBX/Filings/>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the SRO included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements

may be examined at the places specified in Item IV below. The SRO has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

Pursuant to Rule 17d-2 under the Act, the Exchange, BATS Exchange, Inc., Chicago Board Options Exchange, Inc. ("CBOE"), C2 Options Exchange, Incorporated, the International Securities Exchange, LLC, FINRA, New York Stock Exchange LLC, NYSE Amex LLC, NYSE Arca, Inc., The NASDAQ Stock Market LLC, and NASDAQ OMX PHLX, Inc. (collectively the "Options Self Regulatory Council"), entered into an agreement, dated February 9, 2010, (the "17d-2 Agreement") to allocate regulatory responsibility for common rules. By this proposal, the SRO seeks to standardize certain rules with FINRA's rules pursuant to the terms of the 17d-2 Agreement.

First, the SRO proposes to amend its confirmation rule, BOX Rule Chapter XI, Section 13, to add a requirement that confirmations disclose whether the transaction was an opening or closing transaction to harmonize the rule with FINRA Rule 2360(b)(12) and the rule of other options exchanges.⁴

Second, in order to maintain substantial similarity with FINRA rules, the SRO proposes to amend BOX Rule Chapter XI, Section 20 to clarify that the prohibition against guarantees also applies to persons associated with a Participant and to delete the language of BOX Rule Chapter XI, Section 21 related to profit sharing of a customer account, and replace it with the language of FINRA Rule 2150(c),⁵ Sharing in Accounts; Extent Permissible. FINRA Rule 2150(c) contains the same prohibition against sharing in accounts as BOX Rule Chapter XI, Section 21, but with additional limited exceptions. The general prohibition contained in BOX Rule Chapter XI, Section 21 against sharing in the profits or losses of a customer account is currently covered by the 17d-2 Agreement. However, the limited exceptions of FINRA Rule 2150(c) are not covered by the 17d-2 Agreement. The Exchange proposes to add those limited exceptions to BOX Rule Chapter XI, Section 21 to harmonize its rule with the FINRA rule and add those limited exceptions
