

Purpose and Need for Action

The Purpose and Need for the Cobbler II Timber Sale and Fuels Reduction SEIS is the same as identified within the Cobbler II Timber Sale and Fuels Reduction Final Environmental Impact Statement (FEIS) on pages 1–4 and 1–5. The Forest Service is preparing this Supplemental Environmental Impact Statement (SEIS) to clarify and revise sections of the environmental analysis conducted for the original October 2010 Cobbler II FEIS.

Proposed Action

The actions proposed and analyzed in the Cobbler II FEIS will not change in the SEIS. The Umatilla National Forest proposes to supplement the following analysis to that which was originally presented in the Cobbler II Timber Sale and Fuels Reduction FEIS (October 2010).

- Chapter 1
 - Minor editorial changes and additional clarifying information.
- Chapter 2
 - Minor editorial changes and additional clarifying information.
- Chapter 3
 - Clarification of cumulative effects analysis for all resources.
 - Revision of wildlife environmental effects section.
 - Revision of vegetation environmental effects section.
 - Other editorial changes and additional clarifying information.

The supplemental information presented within the SEIS will replace the corresponding information found in the October 2010 Cobbler II FEIS. For example, the revised wildlife environmental effects section of the SEIS will replace the wildlife environmental effects section of the FEIS. All other areas of the analysis that are not identified for supplementation within the SEIS will remain unaltered from its presentation in the FEIS. In this manner the SEIS and FEIS will be companion documents.

Responsible Official

Forest Supervisor for the Umatilla National Forest, Kevin Martin.

Nature of Decision To Be Made

The decisions to be made include:

1. Whether a Forest Plan amendment should occur at this time?
2. Whether harvest and prescribed landscape fire along with associated activities should occur, and if so, how much and where?
3. Whether other vegetation management activities (hardwood restoration, meadow restoration, and

non-commercial thinning) and their associated activities should occur and when should they occur?

4. What monitoring or mitigation measures should be taken or needed?

Opportunity to Comment

This notice is for a supplemental EIS, and therefore no further scoping is necessary (40 CFR 1502.9 (ii)(4)).

The public has had several formal opportunities to comment on this project prior to the initiation of this SEIS. The public will be provided a formal opportunity to comment when the Draft SEIS is released in June 2011.

Comments received in response to this notice, including names and addresses of those who comment, will become part of the public record for this proposed action. Comments submitted anonymously will be accepted and considered; however, anonymous comments will not provide the respondent with standing to participate in subsequent administrative review or judicial review.

Dated: April 28, 2011.

Certain Frozen Warmwater Shrimp From Thailand: Notice of Court Decision Not in Harmony With Final Results of Administrative Review and Notice of Amended Final Results of Administrative Review Pursuant to Court Decision

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On April 26, 2011, the United States Court of International Trade (CIT) sustained the Department of Commerce's (the Department's) results of redetermination pursuant to the CIT's remand order in *Ad Hoc Shrimp Trade Action Committee v. United States*, 675 F. Supp. 2d 1287 (CIT 2010). The Department is notifying the public that the final CIT judgment in this case is not in harmony with the Department's final results and is amending the final results of the administrative review of the antidumping duty order on certain frozen warmwater shrimp from Thailand covering the period of review (POR) of February 1, 2006, through January 31, 2007.

DATES: *Effective Date:* May 6, 2011.

FOR FURTHER INFORMATION CONTACT: Kate Johnson, AD/CVD Operations, Office 2, Import Administration—International Trade Administration, U.S. Department of Commerce, 14th Street and

Constitution Avenue, NW., Washington, DC, 20230; telephone (202) 482–4929.

SUPPLEMENTARY INFORMATION:

Background

On August 29, 2008, the Department published its final results in the antidumping duty administrative review of certain frozen warmwater shrimp from Thailand covering the POR of February 1, 2006, through January 31, 2007. *See Certain Frozen Warmwater Shrimp from Thailand: Final Results and Final Partial Rescission of Antidumping Duty Administrative Review*, 73 FR 50933 (August 29, 2008) (*Final Results*). In the *Final Results*, the Department determined that the Rubicon Group¹ was not entitled to a constructed export price (CEP) offset. On October 24, 2008, the Rubicon Group filed a complaint with the Court challenging the Department's determination that the Rubicon Group was not entitled to a CEP offset. On July 17, 2009, the Department requested a voluntary remand to reconsider and further explain the CEP offset issue. On December 29, 2009, the Court granted the Department's request to reconsider and further explain its decision as to whether the Rubicon Group is entitled to a CEP offset. On June 18, 2010, the Department issued its final results of redetermination. *See Final Results of Redetermination Pursuant to Court Remand*, dated June 18, 2010 (Remand Results) (available at <http://ia.ita.doc.gov/remands>). The remand redetermination explained that, pursuant to the Court's remand order, the Department reconsidered the CEP offset issue with respect to the Rubicon Group and determined that the Rubicon Group was entitled to a CEP offset adjustment to normal value in the 2006–2007 administrative review. On April 26, 2011, the CIT sustained the Remand Results. *See Andaman Seafood Co., Ltd. et al. v. United States*, Court No. 08–00330, Slip Op. 11–46 (April 26, 2011).

Timken Notice

Consistent with the decision of the United States Court of Appeals for the Federal Circuit (CAFC) in *Timken Co. v. United States*, 893 F. 2d 337 (CAFC 1990) (*Timken*), as clarified by *Diamond Sawblades Mfrs. Coalition v. United States*, 626 F. 3d 1374 (CAFC 2010), pursuant to section 516A(c) of the Tariff

¹ This group is comprised of the following companies: Andaman Seafood Co., Ltd., Chanthaburi Frozen Food Co., Ltd., Chanthaburi Seafoods Co., Ltd., Phatthana Seafood Co., Ltd., Phatthana Frozen Food Co., Ltd., Thailand Fishery Cold Storage Public Co., Ltd., Thai International Seafood Co., Ltd., and Rubicon Resources, LLC (collectively, the Rubicon Group).

Act of 1930, as amended (the Act), the Department must publish a notice of a court decision that is not “in harmony” with a Department determination and must suspend liquidation of entries pending a “conclusive” court decision. The CIT's April 26, 2011, judgment sustaining the Department's *Remand Results* with respect to the Rubicon Group constitutes a final decision of that court that is not in harmony with the Departments *Final Results*. This notice is published in fulfillment of the publication requirements of *Timken*. Accordingly, the Department will continue the suspension of liquidation of the subject merchandise pending the expiration of the period of appeal or, if appealed, pending a final and conclusive court decision.

Amended Final Results

Because there is now a final court decision with respect to the Rubicon Group, the Department amends its *Final Results*, and the weighted-average margin for the Rubicon Group for the period February 1, 2006, through January 31, 2007, is 3.00 percent.

In the event the CIT's ruling is not appealed or, if appealed, upheld by the CAFC, the Department will instruct U.S. Customs and Border Protection to assess antidumping duties on entries of the subject merchandise exported during the POR from the Rubicon Group based on the revised assessment rates calculated by the Department.

This notice is issued and published in accordance with sections 516A(c)(1), 751(a)(1), and 777(i)(1) of the Act.

Dated: May 2, 2011.

Ronald K. Lorentzen,

Deputy Assistant Secretary for Import Administration.
