POLICY JUSTIFICATIONPakistan – Cooperative Logistics Supply Support Agreement (CLSSA) Foreign Military Sale Order (FMSO)II Support

The Government of Pakistan requests a Foreign Military Sale Order (FMSO) to provide funds for blanket order requisitions FMSO II, under the Cooperative Logistics Supply Support Agreement (CLSSA) for spare parts in support of F-16, C-130, T-37 and T-33 aircraft and other aircraft or systems/subsystems of U.S. origin in the inventory of the Pakistan Air Force. The estimated cost is \$62 million.

This proposed sale will contribute to the foreign policy and national security of the United States by helping to improve the security of a friendly country that has been, and continues to be, an important force for political stability and economic progress in Central Asia.

The uninterrupted supply of spare parts will allow Pakistan to keep its aircraft fleet at the highest state or readiness.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

Procurement of these items will be from many contractors providing similar items to the U.S. forces. There are no known offset agreements proposed in connection with this potential sale.

Implementation of this sale will not require the assignment of any additional U.S. government or contractor representatives to Pakistan.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.
