Rule 102; SEC File No. 270-409; OMB Control No. 3235-0467.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for approval of extension of the existing collection of information provided for in the following rule: Rule 102 of Regulation M (17 CFR 242.102).

Rule 102 prohibits distribution participants, issuers, and selling security holders from purchasing activities at specified times during a distribution of securities. Persons otherwise covered by these rules may seek to use several applicable exceptions such as an exclusion for actively traded reference securities and the maintenance of policies regarding information barriers between their affiliates.

There are approximately 895 respondents per year that require an aggregate total of 1,795 hours to comply with this rule. Each respondent makes an estimated 1 annual response. Each response takes on average approximately 2.006 hours to complete. Thus, the total compliance burden per year is 1,795 burden hours. The total compliance cost for the respondents is approximately \$102,261.15, resulting in a cost of compliance for the respondent per response of approximately \$114.26 (*i.e.*, \$102,261.15/895 responses). These are internal labor costs and there are no other costs.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

Extension:

Rule 17a-22; SEC File No. 270-202; OMB Control No. 3235-0196.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for approval of extension of the previously approved collection of information provided for in Rule 17a-22 (17 C.F.R. 240.17a-22) under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*).

Rule 17a-22 requires all registered clearing agencies to file with the Commission three copies of all materials they issue or make generally available to their participants or other entities with whom they have a significant relationship, such as pledges, transfer agents, or self-regulatory organizations. Such materials include manuals, notices, circulars, bulletins, lists, and periodicals. The filings with the Commission must be made within ten days after the materials are issued or made generally available. When the Commission is not the clearing agency's appropriate regulatory agency, the clearing agency must file one copy of the material with its appropriate regulatory agency. The Commission is responsible for overseeing clearing agencies and uses the information filed pursuant to Rule 17a-22 to determine

whether a clearing agency is implementing procedural or policy changes. The information filed aids the Commission in determining whether such changes are consistent with the purposes of Section 17A of the Exchange Act. Also, the Commission uses the information to determine whether a clearing agency has changed its rules without reporting the actual or prospective change to the Commission as required under Section 19(b) of the Exchange Act.

The respondents to Rule 17a-22 are registered clearing agencies. The frequency of filings made by clearing agencies pursuant to Rule 17a-22 varies but on average there are approximately 200 filings per year per active clearing agency. There are four active registered clearing agencies. The Commission staff estimates that each response requires approximately .25 hour (fifteen minutes), which represents the time it takes for a staff person at the clearing agency to properly identify a document subject to the rule, print and makes copies, and mail that document to the Commission. Thus, the total annual burden for all active clearing agencies is 200 hours (4 clearing agencies multiplied by 200 filings per clearing agency multiplied by .25 hours) and a total of 50 hours (800 responses multiplied by .25 hours, divided by 4 active clearing agencies) per year are expended by each respondent to comply with the rule.

The Commission may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid Office of Management and Budget (OMB) control number.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available

From: U.S. Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Extension:

Rule 609 and Form SIP; OMB Control No. 3235-0043; SEC File No. 270-23.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for approval of extension of the existing collection of information provided for the following rule: Rule 609 (17 CFR 249.609) (formerly Rule 11Ab2-1) and Form SIP (17 CFR 249.1001).

On September 23, 1975, the Commission adopted Rule 11Ab2-1,¹ which under Regulation NMS has been redesignated as Rule 609 and Form SIP under the Securities Exchange Act of 1934 ("Act") (15 U.S.C. 78a *et seq.*) to establish the procedures by which a Securities Information Processor ("SIP") files and amends its SIP registration statement.² The information filed with the Commission pursuant to Rule 609 and Form SIP is designed to provide the Commission with the information necessary to make the required findings under the Act before granting the SIP's application for registration. In addition, the requirement that a SIP file an amendment to correct any inaccurate information is designed to assure that the Commission has current, accurate information with respect to the SIP. This information is also made available to members of the public.

Only exclusive SIPs are required to register with the Commission. An exclusive SIP is a SIP that engages on an exclusive basis on behalf of any national securities exchange or registered securities association, or any national securities exchange or registered

securities association which engages on an exclusive basis on its own behalf, in collecting, processing, or preparing for distribution or publication, any information with respect to (i) Transactions or quotations on, or effected or made by means of, any facility of such exchange, or (ii) quotations distributed or published by means of any electronic quotation system operated by such association. The Federal securities laws require that before the Commission may approve the registration of an exclusive SIP, it must make certain findings. It takes a SIP applicant approximately 400 hours to prepare documents which include sufficient information to enable the Commission to make those findings. Currently, there are only two exclusive SIPs registered with the Commission; The Securities Industry Automation Corporation ("SIAC") and The Nasdaq Stock Market, Inc. ("Nasdaq"). SIAC and Nasdaq are required to keep the information on file with the Commission current, which entails filing a form SIP annually to update information. Accordingly, the annual reporting and recordkeeping burden for Rule 609 and Form SIP is 400 hours; the burden of information collection is estimated to involve approximately 1 respondent application for registration making 1 response per year. This annual reporting and recordkeeping burden does not include the burden hours or cost of amending a Form SIP because the Commission has already overstated the compliance burdens by assuming that the Commission will receive one initial registration pursuant to Rule 609 on Form SIP a year.

Rule 609 and Form SIP do not impose a retention period for any recordkeeping requirements. Completing and filing Form SIP is mandatory before an entity may become an exclusive SIP. Except in cases where confidential treatment is requested by an applicant and granted by the Commission pursuant to the Freedom of Information Act and the rules of the Commission thereunder, information provided in the Form SIP will be routinely available for public inspection. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Background documentation for this information collection may be viewed at the following link, <http://www.reginfo.gov>. Comments should be directed to (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and

Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or by sending an e-mail to: Shagufta_Ahmed@omb.eop.gov; and (ii) Thomas Bayer, Director/Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, VA 22312 or send an e-mail to: PRA_Mailbox@sec.gov. Comments must be submitted within 30 days of this notice.
