

accommodation(s) is appropriate is based on an assessment of the current impact of the applicant's disability on the testing activity. For example, if the applicant suffers from an impairment that is temporary or changes over time, it may not be possible for the Agency to assess whether an accommodation should be granted if the Licensed Health Care Professional's Statement is not current. For chronic or long-term conditions, a new Licensed Health Care Professional's Statement may not be necessary.

II. Method of Collection

An applicant should provide detailed responses to the questions in the Applicant's Statement. An applicant may use additional paper, if necessary, to answer the questions. The applicant must also provide a completed Licensed

Health Care Professional's Statement and/or other acceptable medical evidence to support the claim. The completed package should be submitted to the United States Patent and Trademark Office's Office of Enrollment and Discipline with the completed Application Form 158. A Request for Reasonable Accommodation submitted separately from the Application Form 158 should be addressed to Mail Stop OED, Director of the U.S. Patent and Trademark Office, P.O. Box 1450, Alexandria, VA 22313-1450. For additional guidance, the Office of Enrollment and Discipline may be contacted at 571-272-4097.

III. Data

OMB Number: 0651-0012.

Form Number(s): N/A.

Type of Review: Revision of a currently approved collection.

Affected Public: Individuals or households.

Estimated Number of Respondents: 40 responses per year.

Estimated Time per Response: The USPTO estimates that it will take the public approximately 1.5 hours to complete the Reasonable Accommodations Request, depending upon the situation.

Estimated Total Annual Respondent Burden Hours: 60 hours per year.

Estimated Total Annual Respondent Cost Burden: \$19,500. Using the median hourly rate for attorneys in private firms of \$325, the USPTO estimates \$19,500 per year in cost burden associated with respondents. This is a fully loaded hourly rate.

Item	Estimated time for response (hours)	Estimated annual responses	Estimated annual burden hours
Request for Reasonable Accommodation	1.5	40	60
Total	40	60

Estimated Total Annual (Non-hour) Respondent Cost Burden: \$31. There are no maintenance or record keeping costs, as well as no filing fees associated with this information collection. However, there is annual (non-hour) cost burden in the form of postage costs.

Although the Reasonable Accommodation Requests are submitted to the USPTO along with the Application for Registration to Practice Before the USPTO, they are additional pages of information and will require additional postage. These documents may be submitted to the USPTO by first-class mail through the United States Postal Service. The USPTO estimates the submission will weigh 3 ounces and that the average first-class postage is 78 cents. Therefore the USPTO estimates that it will receive 40 responses per year, for a total of \$31 (40 × \$0.78) in postage costs.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the

burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized or included in the request for OMB approval of this information collection; they will also become a matter of public record.
