This budget authority represents approximately \$463 million in program funds. Further, the March 11, 2011, NOFA provided the opportunity to submit applications for the Program, with an original application deadline of May 10, 2011.

The Agency has received 10 applications in response to the March 11, 2011, NOFA. These applications are the first applications received subsequent to the Biorefinery Assistance Program's interim rule published on February 14, 2011 (76 FR 8404).
